Dear Member,

Further to the Audit and Governance Agenda dated 19 July 2022, please find attached the appendices for agenda item 11 – Annual External Audit Strategy Memorandum.

Yours sincerely

Karen Langford Democratic Services Officer

## Agenda Item 11

Report to: Audit & Governance Committee Meeting - 27 July 2022

Director Lead: Sanjiv Kohli, Deputy Chief Executive/Director of Resources (S151

Officer)

Lead Officer: Nick Wilson, Business Manager – Financial Services

Ext 5317

Report Summary				
Report Title	Annual External Audit Strategy Memorandum 2021/22			
Purpose of Report	To present the External Audit Strategy Memorandum for the 2021/22 Statement of Accounts work.			
Recommendations	Members note the External Audit Strategy Memorandum			
Reason for Recommendation	To provide Members with details of External Audits work in relation to the Council's Statement of Accounts for 2021/22.			

### 1.0 Introduction

- 1.1 The External Audit Strategy Memorandum (Appendix A) sets out the proposed work of the Council's external auditors for 2021/22, relating to the audit of the financial statements and the commentary on the Council's Value for Money arrangements.
- 1.2 The strategy describes the audit approach, the key financial statement audit risks and the Value for Money audit approach. It details the audit team, the deliverables from the work, the timeline and the proposed audit fee.

### 3.0 **Implications**

None.

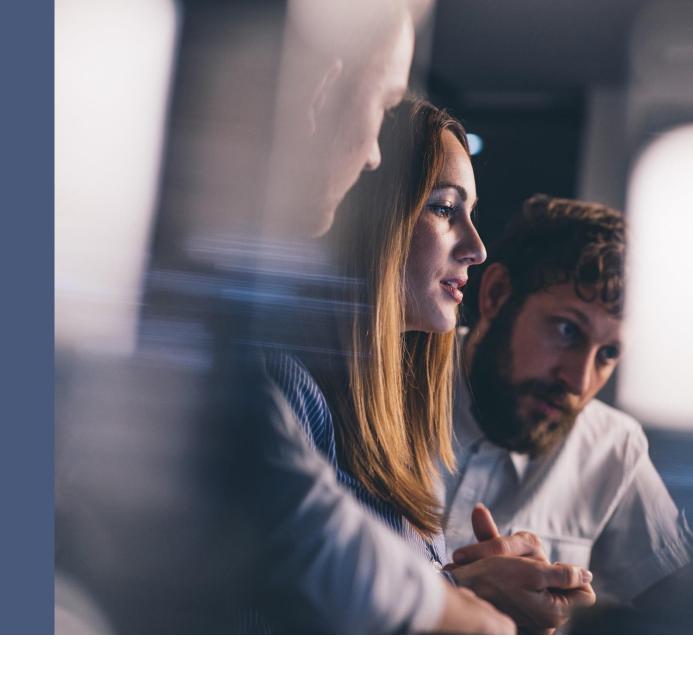

**Background Papers and Published Documents** 

None.

Mazars LLP

27 July 2022

Dear Audit and Governance Committee Members

### Audit Strategy Memorandum - Year ending 31 March 2022

We are pleased to present our Audit Strategy Memorandum for Newark and Sherwood District Council for the year ending 31 March 2022. The purpose of this document is to summarise our audit approach, highlight significant audit risks and areas of key judgements and provide you with the details of our audit team. As it is a fundamental requirement that an auditor is, and is seen to be, independent of its clients, section 7 of this document also summarises our considerations and conclusions on our independence as auditors. We consider two-way communication with you to be key to a successful audit and important in:

- reaching a mutual understanding of the scope of the audit and the responsibilities of each of us;
- sharing information to assist each of us to fulfil our respective responsibilities;
- · providing you with constructive observations arising from the audit process; and
- ensuring that we, as external auditors, gain an understanding of your attitude and views in respect of the internal and external operational, financial, compliance and other risks facing Newark and Sherwood District Council which may affect the audit, including the likelihood of those risks materialising and how they are monitored and managed.

With hat in mind, we see this document, which has been prepared following our initial planning discussions with management, as being the basis for a discussion around our audit approach, any questions, concerns or input you may bave on our approach or role as auditor. This document also contains an appendix that outlines our key communications with you during the course of the audit,

Cliens service is extremely important to us and we strive to provide technical excellence with the highest level of service quality, together with continuous improvement to exceed your expectations so, if you have any concerns or considering entry about this document or audit approach, please contact me on 0115 964 4779.

Mazars LLP

Mazars LLP - Park View House, 58 Ropewalk, Nottingham, NG1 5DW

Mazars LLP is the UK firm of Mazars, an integrated international advisory and accountancy organisation. Mazars LLP is a limited liability partnership registered in England and Wales with registered number OC308299 and with its registered office at Tower Bridge House, St Katharine's Way. London E1W 1DD.

We are registered to carry on audit work in the UK by the Institute of Chartered Accountants in England and Wales. Details about our audit registration can be viewed at www.auditregister.org.uk under reference number C001139861. VAT number: 839 8356 73

## Section 01:

**Engagement and responsibilities summary** 

## 1. Engagement and responsibilities summary

### **Overview of engagement**

We are appointed to perform the external audit of Newark and Sherwood District Council (the Council) for the year to 31 March 2022. The scope of our engagement is set out in the Statement of Responsibilities of Auditors and Audited Bodies, issued by Public Sector Audit Appointments Ltd (PSAA) available from the PSAA website: <a href="https://www.psaa.co.uk/managing-audit-quality/statement-of-responsibilities-of-auditors-and-audited-bodies/">https://www.psaa.co.uk/managing-audit-quality/statement-of-responsibilities-of-auditors-and-audited-bodies/</a>. Our responsibilities are principally derived from the Local Audit and Accountability Act 2014 (the 2014 Act) and the Code of Audit Practice issued by the National Audit Office (NAO), as outlined below.

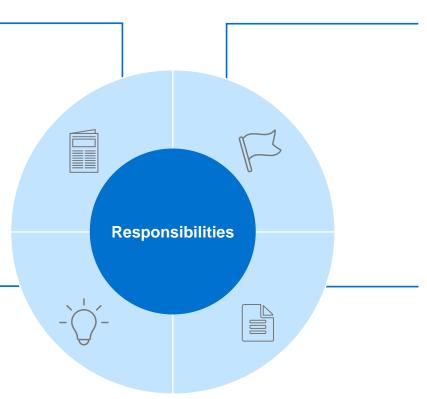

### **Audit opinion**

We are responsible for forming and expressing an opinion on the financial statements. Our audit does not relieve management or the Audit and Governance Committee as those charged with governance, of their responsibilities.

The S151 officer is responsible for the assessment of whether it is appropriate for the Council to prepare its accounts on a going concern basis. As auditors, we are required to obtain sufficient appropriate audit evidence regarding, and conclude on: a) whether a material uncertainty related to going concern exists; and b) consider the appropriateness of the S151 officer's use of the going concern basis of accounting in the preparation of the financial statements.

## **Salue for money**

The description of the descripti

#### Fraud

The responsibility for safeguarding assets and for the prevention and detection of fraud, error and non-compliance with law or regulations rests with both those charged with governance and management. This includes establishing and maintaining internal controls over reliability of financial reporting.

As part of our audit procedures in relation to fraud we are required to enquire of those charged with governance, including key management, and Internal audit as to their knowledge of instances of fraud, the risk of fraud and their views on internal controls that mitigate the fraud risks. In accordance with International Standards on Auditing (UK), we plan and perform our audit so as to obtain reasonable assurance that the financial statements taken as a whole are free from material misstatement, whether caused by fraud or error. However our audit should not be relied upon to identify all such misstatements.

### Wider reporting and electors' rights

We report to the NAO on the consistency of the Council's financial statements with its Whole of Government Accounts (WGA) submission.

The 2014 Act requires us to give an elector, or any representative of the elector, the opportunity to question us about the accounting records of the Council and consider any objection made to the accounts. We also have a broad range of reporting responsibilities and powers that are unique to the audit of local authorities in the United Kingdom

## 03

Section 03:

Audit scope, approach and timeline

### **Audit scope**

Our audit approach is designed to provide an audit that complies with all professional requirements.

Our audit of the financial statements will be conducted in accordance with International Standards on Auditing (UK), relevant ethical and professional standards, our own audit approach and in accordance with the terms of our engagement. Our work is focused on those aspects of your activities which we consider to have a higher risk of material misstatement, such as those impacted by management judgement and estimation, application of new accounting standards, changes of accounting policy, changes to operations or areas which have been found to contain material errors in the past.

### Audit approach

Our audit approach is risk-based and primarily driven by the issues that we consider lead to a higher risk of material misstatement of the accounts. Once we have completed our risk assessment, we develop our audit strategy and design audit procedures in response to this assessment.

If we conclude that appropriately-designed controls are in place then we may plan to test and rely upon these controls. If we decide controls are not appropriately designed, or we decide it would be more efficient to do so, we may take a wholly substantive approach to our audit testing. Substantive procedures are audit procedures designed to detect material misstatements at the assertion level and comprise: tests of details (of classes of transactions, account balances, and disclosures); and substantive analytical procedures. Irrespective of the assessed risks of material misstatement, which take into account our evaluation of the operating effectiveness of controls, we are required to design and perform substantive procedures for each material class of transactions, account balance, and disclosure.

Our audit will be planned and performed so as to provide reasonable assurance that the financial statements are free from material misstatement and give a true and fair view. The concept of materiality and how we define a misstatement is explained in more detail in section 8.

The diagram on the next page outlines the procedures we perform at the different stages of the audit.

#### Planning December 2021 – March 2022

- · Planning visit and developing our understanding of the Council
- · Initial opinion and value for money risk assessments
- Considering proposed accounting treatments and accounting policies
- Developing the audit strategy and planning the audit work to be performed
- Agreeing timetable and deadlines
- · Preliminary analytical review

#### **Completion** By November 2022

- Final review and disclosure checklist of financial statements Agenda
  - Final partner review
  - Agreeing content of letter of representation
  - Reporting to the Audit and Governance Committee
  - Reviewing subsequent events
  - Signing the auditor's report

### **Interim** March - April 2022

- · Documenting systems and controls
- Performing walkthroughs
- Interim controls testing including tests of IT general controls
- Early substantive testing of transactions
- · Reassessment of audit plan and revision if necessary

#### Fieldwork September 2022

- · Receiving and reviewing draft financial statements
- Reassessment of audit plan and revision if necessary
- Executing the strategy starting with significant risks and high risk areas
- Communicating progress and issues
- Clearance meeting

#### Reliance on internal audit

Where possible we will seek to utilise the work performed by internal audit to modify the nature, extent and timing of our audit procedures. We will meet with internal audit to discuss the progress and findings of their work prior to the commencement of our controls evaluation procedures.

Where we intend to rely on the work on internal audit, we will evaluate the work performed by your internal audit team and perform our own audit procedures to determine its adequacy for our audit.

### Management's and our experts

Management makes use of experts in specific areas when preparing the Council's financial statements. We also use experts to assist us to obtain sufficient appropriate audit evidence on specific items of account.

Item of account	Management's expert	Our expert
Pensions liability	Barnett Waddingham LLP Actuary for Nottinghamshire Pension Fund	PwC LLP Consulting actuary appointed by the NAO
Property, plant and equipment valuation	Wilks, Head and Eve LLP The Council's external valuer	Not applicable
Buness rate appeals	InformCPI External rating specialist	Not applicable
Financial instrument disclosures	Link Asset Service Treasury management advisors	Not applicable

### **Service organisations**

International Auditing Standards (UK) (ISAs) define service organisations as third party organisations that provide services to the Council that are part of its information systems relevant to financial reporting. We are required to obtain an understanding of the services provided by service organisations as well as evaluating the design and implementation of controls over those services. The table below summarises the service organisations used by the Council and our planned audit approach.

Items of account	Service organisation	Audit approach
Pensions liability	Nottinghamshire Pension Fund.  The IAS 19 pension entries that form part of the Council's financial statements are material and are derived from actuarial valuations. The process of obtaining these is coordinated by and uses information held and processed by the service organization.	We will review the controls operating at the Council over these transactions to gain an understanding of the services provided by the service organisation.  Where we conclude that we do not have a sufficient understanding of the services provided by the service organisation we will seek to obtain assurance by using another auditor to perform procedures that will provide the necessary information about the relevant controls at the service organisation.

### **Group audit approach**

We are responsible for the audit of the group consolidation. The Council's consolidated group is made up of the following components:

- RHH Newark Limited
- Arkwood Developments Limited
- Active4Today Limited

An analysis of the group is shown below, setting out the individual components of the group and the audit approach we will follow for group audit opinion purposes. Mazars is responsible for the audit of the Council and the group. At the planning stage we have reviewed the forecasted balances of the individual components and determined that none of the subsidiaries are significant components of the group. They are therefore out of scope for our audit. We will however audit the consolidation adjustments for the group accounts and any individually significant balances within the subsidiaries (if any).

Materiality levels have been calculated at both single entity and group level for consistency, in line with reporting requirements. Refer to section 8.

Entity	Scope*
Newark and Sherwood District Council	Full
RHH Newark Limited	Out of Scope
A Prood Developments Limited	Out of Scope
A A CHVe4Today Limited	Out of Scope
ag	

\*Outpapproach can change upon receipt of draft financial statements. Any change to our audit approach in respect of group arrangements will be communicated to the Audit and Governance Committee.

S

## 04

## Section 04:

Significant risks and other key judgement areas

## 4. Significant risks and other key judgement areas

Following the risk assessment approach discussed in section 3 of this document, we have identified risks relevant to the audit of financial statements. The risks that we identify are categorised as significant, enhanced or standard. The definitions of the level of risk rating are given below:

#### Significant risk

A significant risk is an identified and assessed risk of material misstatement that, in the auditor's judgment, requires special audit consideration. For any significant risk, the auditor shall obtain an understanding of the entity's controls, including control activities relevant to that risk.

#### **Enhanced risk**

An enhanced risk is an area of higher assessed risk of material misstatement at audit assertion level other than a significant risk. Enhanced risks require additional consideration but does not rise to the level of a significant risk, these include but may not be limited to:

- key areas of management judgement, including accounting estimates which are material but are not considered to give rise to a significant risk of material misstatement; and
- · other audit assertion risks arising from significant events or transactions that occurred during the period.

#### Standard risk

Page

This is related to relatively routine, non-complex transactions that tend to be subject to systematic processing and require little management judgement. Although it is considered that there is a risk of material misstatement (RMM), there are no elevated or special factors related to the nature, the likely magnitude of the potential misstatements or the likelihood of the risk occurring.

### **Summary risk assessment**

The summary risk assessment, illustrated in the table below, highlights those risks which we deem to be significant and other enhanced risks in respect of the Council. We have summarised our audit response to these risks on the next page.

## 4. Significant risks and other key judgement areas

### Specific identified audit risks and planned testing strategy

We have presented below in more detail the reasons for the risk assessment highlighted above, and also our testing approach with respect to significant risks. An audit is a dynamic process, should we change our view of risk or approach to address the identified risks during the course of our audit, we will report this to the Audit and Governance Committee

### Significant risks

	Description	Fraud	Error	Judgement	Planned response
Agenda	Management override of controls This is a mandatory significant risk on all audits due to the unpredictable way in which such override could occur.  Management at various levels within an organisation are in a unique position to perpetrate fraud because of their ability to manipulate accounting records and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. Due to the unpredictable way in which such override could occur there is a risk of material misstatement due to fraud on all audits.		0	0	We plan to address the management override of controls risk through performing audit work over accounting estimates, journal entries and significant transactions outside the normal course of business or otherwise unusual.

## 4. Significant risks and other key judgement areas

## Significant risks

	Description	Fraud	Error	Judgement	Planned response
2	Net defined benefit liability valuation The Council's accounts contain material liabilities relating to the local government pension scheme. The council uses an actuary to provide an annual valuation of these liabilities in line with the requirements of IAS 19 Employee Benefits. Due to the high degree of estimation uncertainty associated with this valuation, we have determined there is a significant risk in this area.	0		•	<ul> <li>In relation to the valuation of the Council's pension liability we will:</li> <li>Critically assess the competency, objectivity and independence of the Nottinghamshire Pension Fund's Actuary, Barnett Waddingham LLP;</li> <li>Liaise with the auditors of the Nottinghamshire Pension Fund to gain assurance that the controls in place at the Pension Fund are operating effectively. This will include the processes and controls in place to ensure data provided to the Actuary by the Pension Fund for the purposes of the IAS 19 valuation to complete and accurate;</li> <li>Review the appropriateness of the Pension Asset and Liability valuation methodologies applied by the Pension Fund Actuary, and the key assumptions included within the valuation. This will include comparing them to expected ranges, utilising information provided by PwC, the consulting actuary engaged by the National Audit Office (NAO); and</li> <li>Agree the data in the IAS 19 valuation report provided by the Fund Actuary for accounting purposes to the pension accounting entries and disclosures in the Council's financial statements.</li> </ul>
∞ Agenda Page	Valuation of property, plant and equipment The Council's accounts contain material balances and disclosures relating to its holding of property, plant and equipment and assets held for sale, with the majority of land and building assets required to be carried at valuation. Due to high degree of estimation uncertainty associated with those held at valuation, we have determined there is significant risk in this area.	0		•	<ul> <li>In relation to the valuation of property, plant and equipment and assets held for sale we will:</li> <li>Critically assess the Council's valuers scope of work, qualifications, objectivity and independence to carry out the required programme of revaluations;</li> <li>Consider whether the overall revaluation methodology used by the Council's valuer is in line with industry practice, the CIPFA Code of Practice and the Council's accounting policies;</li> <li>Assess whether valuation movement are in line with market expectations by reference to alternative sources of valuation data to provide information on regional valuation trends;</li> <li>Critically assess the treatment of the upward and downward revaluations in the Council's financial statements with regards to the requirements of the CIPFA Code of Practice; and</li> <li>Critically assess the approach that the Council adopts to ensure that assets not subject to revaluation in 2021/22 are materially correct, including considering the robustness of that approach in light of the valuation information reported by the Councils valuer.</li> </ul>

## 05

Section 05:

Value for money

## 5. Value for money

### The framework for Value for Money work

We are required to form a view as to whether the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The NAO issues guidance to auditors that underpins the work we are required to carry out in order to form our view, and sets out the overall criterion and sub-criteria that we are required to consider.

2021/22 will be the second audit year where we are undertaking our value for money (VFM) work under the 2020 Code of Audit Practice (the Code). Our responsibility remains to be satisfied that the Council has proper arrangements in place and to report in the audit report and/or the audit completion certificate where we identify significant weaknesses in arrangements. Separately we provide a commentary on the Council's arrangements in the Auditor's Annual Report.

### **Specified reporting criteria**

The Code requires us to structure our commentary to report under three specified criteria:

- 1. Financial sustainability how the Council plans and manages its resources to ensure it can continue to deliver its services
- Governance how the Council ensures that it makes informed decisions and properly manages its risks
- 3. Improving economy, efficiency and effectiveness how the Council uses information about its costs and performance to improve the way it manages and delivers its services

## **Ou**Papproach

 $\Theta$ 2

Our mork falls into three primary phases as outlined opposite. We need to gather sufficient evidence to supper our commentary on the Council's arrangements and to identify and report on any significant weallesses in arrangements. Where significant weaknesses are identified we are required to report these to the Gouncil and make recommendations for improvement. Such recommendations can be made at any poin uring the audit cycle and we are not expected to wait until issuing our overall commentary to do so.

### Planning and risk assessment

Obtaining an understanding of the Council's arrangements for each specified reporting criteria. Relevant information sources will include:

- NAO guidance and supporting information
- Information from internal and external sources including regulators
- Knowledge from previous audits and other audit work undertaken in the
- Interviews and discussions with staff and members

Additional risk based procedures and evaluation

Where our planning work identifies risks of significant weaknesses, we will undertake additional procedures to determine whether there is a significant weakness.

### Reporting

We will provide a summary of the work we have undertaken and our judgements against each of the specified reporting criteria as part of our commentary on arrangements. This will form part of the Auditor's Annual Report.

Our commentary will also highlight:

- · Significant weaknesses identified and our recommendations for improvement
- · Emerging issues or other matters that do not represent significant weaknesses but still require attention from the Council.

# Agenc

## 5. Value for money

### Identified risks of significant weaknesses in arrangements

The NAO's guidance requires us to carry out work at the planning stage to understand the council's arrangements and to identify risks that significant weaknesses in arrangements may exist.

Although we have not fully completed our planning and risk assessment work, we have not identified any significant weaknesses in arrangements to date. We will report any further identified risks to the Audit and Governance Committee on completion of our planning and risk identification work.

## 06

Section 06:

Fees for audit and other services

## 6. Fees for audit and other services

### Fees for work as the Council's appointed auditor

Details of the 2020/21 Actual and indicative 2021/22 Audit fees in line with PSAA and other reporting mechanisms are set out below:

Area of work	2021/22 Proposed fee	2020/21 Fee
Scale audit fee	£37,213	£37,213
Fee variations:		
Additional work in relation to responding to increased regulatory challenge in auditing the IAS19 pension figures contained within the financial statements.	£3,200 <sup>1</sup>	£2,998
Additional work in relation to responding to increased regulatory challenge in auditing the PPE figures contained within the financial statements.	£4,500 <sup>1</sup>	£4,069
ISA540 -additional work in relation to auditing accounting estimates and related disclosure	£2,900 <sup>2</sup>	£2,000
Grown accounts	£3,000	£2,000
Sul <del>2</del> otal	£50,813	£48,280
Ado nal work arising from the change in the Code of Audit Practice	£9,000 <sup>3</sup>	£10,000 *
Tota U	£59,813 <sup>4</sup>	£58,280

- <sup>1</sup> As previously reported to you, the scale fee has been adjusted to take into account the additional work required as a result of increased regulatory expectations over these areas.
- <sup>2</sup> New auditing standards have been introduced which will lead to additional audit work not reflected in the scale fee.
- <sup>3</sup> As explained in section 5, the revised Code of Audit Practice results in a substantial amount of additional audit work to support the value for money conclusion and the changes in reporting requirements, requiring additional time and input from the senior members of the team. The final fee will take into account the extent, and complexity of, any significant weaknesses in arrangements to review and report upon.
- <sup>4</sup> This is a proposed fee for 2021/22 at the point of the issue of our ASM. This figure is subject to change and additional costs will be discussed with management.
- \*This is a fee proposed by Mazars for work done which is still under negotiation.

## 07

## Section 07:

Our commitment to independence

## 7. Our commitment to independence

We are committed to independence and are required by the Financial Reporting Council to confirm to you at least annually in writing that we comply with the FRC's Ethical Standard. In addition, we communicate any matters or relationship which we believe may have a bearing on our independence or the objectivity of the audit team.

Based on the information provided by you and our own internal procedures to safeguard our independence as auditors, we confirm that in our professional judgement there are no relationships between us and any of our related or subsidiary entities, and you and your related entities creating any unacceptable threats to our independence within the regulatory or professional requirements governing us as your auditors.

We have policies and procedures in place which are designed to ensure that we carry out our work with integrity, objectivity and independence. These policies include:

- all partners and staff are required to complete an annual independence declaration;
- all new partners and staff are required to complete an independence confirmation and also complete computer based ethical training;
- · rotation policies covering audit engagement partners and other key members of the audit team; and
- use by managers and partners of our client and engagement acceptance system which requires all nonaudit services to be approved in advance by the audit engagement partner.

We confirm, as at the date of this document, that the engagement team and others in the firm as appropriate, Mazars LLP are independent and comply with relevant ethical requirements. However, if at any time you have concerns or questions about our integrity, objectivity or independence please discuss these with David Hoose in the <u>first</u> instance.

Prior to the provision of any non-audit services David Hoose will undertake appropriate procedures to consider and fully assess the impact that providing the service may have on our auditor independence.

We are engaged to provide one non-audit service in relation to the Housing Pooling Return. No threats to our independence have been identified as a result of this engagement. The considerations of this are set out in the table below

Service	Consideration
Assurance services: Housing Pooling Return	<ul> <li>We have considered threats and safeguards as follows:</li> <li>Self Review: The work does not involve the preparation of information that has a material impact upon the financial statements subject to audit by Mazars;</li> <li>Self Interest: The total fee level is not deemed to be material to the Council or Mazars. The work undertaken is not paid on a contingency basis;</li> <li>Management: The work does not involve Mazars making any decisions on behalf of management;</li> <li>Advocacy: The work does not involve Mazars advocating the Council to third parties;</li> <li>Familiarity: Work is not deemed to give rise to a familiarity threat given this piece of assurance work used to fall under the Audit Commission / PSAA certification regimes and was the responsibility of the Council's appointed auditor; and</li> <li>Intimidation: The nature of the work does not give rise to any intimidation threat from management to Mazars.</li> </ul>

Any emerging independence threats and associated identified safeguards will be communicated in our Audit Completion Report.

### Materiality

Materiality is an expression of the relative significance or importance of a particular matter in the context of final statements as a whole.

Mis interest in financial statements are considered to be material if they, individually or in aggregate, could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

Judgments on materiality are made in light of surrounding circumstances and are affected by the size and nature of a misstatement, or a combination of both. Judgements about materiality are based on consideration of the number of the number

The assessment of what is material is a matter of professional judgement and is affected by our perception of the financial information needs of the users of the financial statements. In making our assessment we assume that users:

- have a reasonable knowledge of business, economic activities and accounts;
- have a willingness to study the information in the financial statements with reasonable diligence;
- understand that financial statements are prepared, presented and audited to levels of materiality;
- recognise the uncertainties inherent in the measurement of amounts based on the use of estimates, judgement and the consideration of future events; and
- will make reasonable economic decisions on the basis of the information in the financial statements.

We consider materiality whilst planning and performing our audit based on quantitative and qualitative factors.

Whilst planning, we make judgements about the size of misstatements which we consider to be material and which provides a basis for determining the nature, timing and extent of risk assessment procedures, identifying and assessing the risk of material misstatement and determining the nature, timing and extent of further audit procedures.

The materiality determined at the planning stage does not necessarily establish an amount below which uncorrected misstatements, either individually or in aggregate, will be considered as immaterial.

We revise materiality for the financial statements as our audit progresses should we become aware of information that would have caused us to determine a different amount had we been aware of that information at the planning stage.

Our provisional materiality is set based on a benchmark of total gross expenditure. We will identify a figure for materiality but identify separate levels for procedures design to detect individual errors, and also a level above which all identified errors will be reported to the Audit and Governance Committee.

We consider that the total gross expenditure remains the key focus of users of the financial statements and, as such, we base our materiality levels around this benchmark.

Materiality and misstatements

## 8. Materiality and misstatements

### **Materiality (continued)**

We expect to set a materiality threshold at 2% of total gross expenditure. Based on 2020/21 audited financial statements we anticipate the overall materiality for the year ended 31 March 2022 to be in the region of £2,175,000.

After setting initial materiality, we continue to monitor materiality throughout the audit to ensure that it is set at an appropriate level.

### **Performance Materiality**

Performance materiality is the amount or amounts set by the auditor at less than materiality for the financial statements as a whole to reduce, to an appropriately low level, the probability that the aggregate of uncorrected and undetected misstatements exceeds materiality for the financial statements as a whole. In setting performance materiality, we have carried out a risk assessment and determined that there is low inherent risk. In addition, we have cumulative knowledge about the Council's financial statements, and we identified a minimal number of non-complex errors in the prior years. We have therefore set our performance materiality at 75% of our overall materiality being £1,630,000.

As with overall materiality, we will remain aware of the need to change this performance materiality level through the audit to ensure it remains to be set at an appropriate level.

### **Misstatements**

 $\Theta$ 

We cumulate misstatements identified during the audit that are other than clearly trivial. We set a level of trivial ty for individual errors identified (a reporting threshold) for reporting to the Audit and Governance Complittee that is consistent with the level of triviality that we consider would not need to be accumulated because we expect that the accumulation of such amounts would not have a material effect on the financial statements. Based on our preliminary assessment of overall materiality, our proposed triviality threshold is £65, 100 based on 3% of overall materiality. If you have any queries about this, please do not hesitate to raise the with David Hoose.

### **Reporting to the Audit and Governance Committee**

The following three types of audit differences will be presented to the Audit and Governance Committee:

- · summary of adjusted audit differences;
- · summary of unadjusted audit differences; and
- summary of disclosure differences (adjusted and unadjusted).

Materiality and misstatements

We value communication with Those Charged With Governance as a two-way feedback process at the heart of our client service commitment. ISA 260 (UK) 'Communication with Those Charged with Governance' and ISA 265 (UK) 'Communicating Deficiencies In Internal Control To Those Charged With Governance And Management' specifically require us to communicate a number of points with you.

Relevant points that need to be communicated with you at each stage of the audit are outlined below.

### Form, timing and content of our communications

We will present the following reports:

- · Audit Strategy Memorandum;
- · Audit Completion Report; and
- Auditor's Annual Report

These documents will be discussed with management prior to being presented to yourselves and their comments will be incorporated as appropriate.

### Key communication points at the planning stage as included in this Audit **Strategy Memorandum**

- Our responsibilities in relation to the audit of the financial statements;
- De planned scope and timing of the audit;
- Significant audit risks and areas of management judgement;

## Page

- Our commitment to independence;
- Responsibilities for preventing and detecting errors;
- Materiality and misstatements; and
- Fees for audit and other services.

### Key communication points at the completion stage to be included in our **Audit Completion Report**

- Significant deficiencies in internal control;
- Significant findings from the audit;
- Significant matters discussed with management;
- Our conclusions on the significant audit risks and areas of management judgement;
- Summary of misstatements:
- Management representation letter;
- Our proposed draft audit report; and
- · Independence.

ISA (UK) 260 'Communication with Those Charged with Governance', ISA (UK) 265 'Communicating Deficiencies In Internal Control To Those Charged With Governance And Management' and other ISAs (UK) specifically require us to communicate the following:

Required communication	Where addressed
Our responsibilities in relation to the financial statement audit and those of management and those charged with governance.	Audit Strategy Memorandum
The planned scope and timing of the audit including any limitations, specifically including with respect to significant risks.	Audit Strategy Memorandum
<ul> <li>With respect to misstatements:</li> <li>uncorrected misstatements and their effect on our audit opinion;</li> <li>the effect of uncorrected misstatements related to prior periods;</li> <li>a request that any uncorrected misstatement is corrected; and</li> <li>in writing, corrected misstatements that are significant.</li> </ul>	Audit Completion Report
With respect to fraud communications:  • Anquiries of the Audit and Governance Committee to determine whether they have a knowledge of any actual, suspected or alleged fraud affecting the entity;  • Any fraud that we have identified or information we have obtained that indicates that fraud may exist; and  • And discussion of any other matters related to fraud.	Audit Completion Report and discussion at the Audit and Governance Committee, Audit planning and clearance meetings
