74 REVENUE BUDGET AND COUNCIL TAX SETTING FOR 2018/19

The Council considered the report of the Leader of the Council relating to the Revenue Budget and Council Tax Setting for 2018/2019.

The report indicated that, in setting the level of Council Tax for 2018/2019, it was necessary to consider the requirements of the Council Tax Collection Fund for 2018/2019. This incorporated the District Council's Council Tax Requirement, Parish Council Precepts and the Council Tax requirements of Nottinghamshire County Council, the Nottinghamshire Police & Crime Commissioner and the Nottinghamshire Fire & Rescue Service.

The Policy & Finance Committee, at its meeting held on 22 February 2018, recommended that the District Council's Council Tax Requirement for 2018/2019, excluding Parish Council precepts, should be £11,382,210 as detailed in the Council's Budget Book for 2018/2019. As part of the budget process, the views of the operational committees had been taken into account along with views of the Commercial Ratepayers through the statutory consultation.

It was reported that all Parish Council precepts had been received and these totalled £2,810,467.42 making a total Council Tax Requirement for the District Council of £14,192,677.42.

Nottinghamshire County Council had set a precept on Newark & Sherwood District Council's Collection fund for 2018/2019 of £54,392,827. The Nottinghamshire Police & Crime Commissioner had set a precept on Newark & Sherwood District Council's Collection fund for 2018/2019 of £7,487,381.92 and the Nottingham and Nottinghamshire Fire & Rescue Service had proposed a precept on Newark & Sherwood District Council's Collection fund for 2018/2019 of £2,970,198.

Councillor R.V. Blaney moved and Councillor D.J. Lloyd seconded the recommendations as detailed in the report.
