Wednesday, 6 March 2019

**Chairman: Councillor Mrs R Crowe
Vice-Chairman: Councillor I Walker**

Members of the Committee:

**Councillor Mrs K Arnold
Councillor Mrs B Brooks
Councillor Mrs I Brown
Councillor D Clarke
Councillor M Cope
Councillor P Duncan**

**Councillor Mrs S Michael
Councillor D Payne
Councillor Mrs S Saddington
Councillor Mrs S Soar
Councillor Mrs L Tift
Councillor B Wells
Councillor Mrs Y Woodhead**

MEETING: Licensing Committee

DATE: Thursday, 14 March 2019 at 6.00 pm

**VENUE: Castle House, Great North Road, Newark,
Notts. NG24 1BY**

**You are hereby requested to attend the above Meeting to be held at the time/place
and on the date mentioned above for the purpose of transacting the
business on the Agenda as overleaf.**

If you have any queries please contact Helen Brandham on helen.brandham@newark-sherwooddc.gov.uk.

AGENDA

	<u>Page Nos.</u>
1. Declarations of Interests from Members and Officers	
2. Declaration of Any Intention to Record Meeting	
3. Minutes of the Meeting held on 15 November 2018	4 - 7
PART 1 - ITEMS FOR DECISION	
4. Review of Pavement Licences in Newark	8 - 11
5. A Strategy for the Night Time Economy	12 - 13
6. Examination of the Measures of Harm and Burden Associated with Alcohol	14 - 21
PART 2 - ITEMS FOR INFORMATION	
7. Licensing Committee - Forward Plan	22
PART 3 - STATISTICAL AND PERFORMANCE REVIEW ITEMS	
8. Update on Quarterly Performance and Enforcement Matters	23 - 27
9. Temporary Event Notices Received and Acknowledged between 1 October and 31 December 2018	28 - 35
PART 4 - EXEMPT AND CONFIDENTIAL ITEMS	
10. Exclusion of the Press and Public	None

To consider resolving that, under section 100A (4) of the Local Government Act 1972, the public be excluded from the meeting for the following items of business on the grounds that they involve the likely disclosure of exempt information as defined in Paragraphs 1, 2, 3 and 7 of part 1 of Schedule 12A of the Act.

Agenda Item 3

NEWARK AND SHERWOOD DISTRICT COUNCIL

Minutes of the Meeting of **Licensing Committee** held in the Castle House, Great North Road, Newark, Notts. NG24 1BY on Thursday, 15 November 2018 at 6.00 pm.

PRESENT: Councillor Mrs R Crowe (Chairman)
Councillor I Walker (Vice-Chairman)

Councillor Mrs K Arnold, Councillor Mrs I Brown, Councillor D Clarke,
Councillor M Cope, Councillor Mrs S Michael, Councillor D Payne,
Councillor Mrs S Saddington, Councillor Mrs L Tift, Councillor B Wells
and Councillor Mrs Y Woodhead

APOLOGIES FOR ABSENCE: Councillor Mrs B Brooks, Councillor P Duncan and Councillor Mrs S Soar

21 DECLARATIONS OF INTERESTS FROM MEMBERS AND OFFICERS

NOTED that no Member of Officer declared any interest pursuant to any statutory requirement in any matter discussed or voted upon at the meeting.

22 DECLARATION OF ANY INTENTION TO RECORD MEETING

NOTED that there would be an audio recording of the meeting undertaken by the Council.

23 MINUTES OF THE PREVIOUS MEETING

Minute No. 17 – Community Alcohol Partnership in Ollerton (UPDATE)

Councillor Wells advised that he had attended one meeting of the Group but had not received an invitation to any subsequent meetings.

Officers advised that work had commenced in the local area and was being supported by both Managers from Tesco and Asda who had offered to train smaller businesses in the area around the Challenge 25 Scheme.

Officers also advised that some test purchasing had been undertaken in the area using employees of the Council who were all over 18 but who did not look 25 years old. Of the 6 test purchases carried out, 3 had resulted in the challenge being made and 3 premises had sold alcohol without asking the individual for proof of age. The 3 premises in question had been advised of their responsibilities by the Licensing Enforcement Officers.

AGREED (unanimously) that the Minutes of the Meeting held on 6 September 2018 be approved as a correct record and signed by the Chairman.

24 PRESENTATION OF SCHEMELINK SOFTWARE FOR PUBWATCH

The Committee received a remote presentation of SchemeLink, the app that had been developed as a central point for easier data sharing and communication across scheme types. The Licensing Enforcement Officer provided Members with a brief overview of how the app would work in practice and the parameters of within which users would have to work in order to comply with all legal requirements e.g. in the uploading and sharing of photographic images. It was noted that the app had been in use in the Retford area for a period of 6 months and that it had been of great benefit.

In response to Members querying the cost of the app, the Business Manager – Environmental Health & Licensing advised that if purchased on an individual basis it was £35.99 but, with Committee approval, it was intended to purchase 40 licences which would reduce the cost of £31.00 per licence/pa. These would then be shared amongst the members of PubWatch and it was hoped that after the 12 month period, the members would purchase their own licence.

A Member of the Committee noted the restrictive guidelines in relation to the use of photographic images and queried how this would be of benefit to users. The Committee were informed that it was often the case that the individual who was of concern displayed their facial image on social media and as that was already in the public domain these were being uploaded and used on the app.

Members queried whether the use of the app by PubWatch would allow the user to access other schemes e.g. ShopWatch or HotelWatch. Officers advised that following the purchase of the licences by the Council they then had the choice of who received them, however, it was likely that it would attract an additional cost. Members stated that they would wish to see its use restricted to PubWatch.

In relation to how the individual premises would log in, Members were advised that this would be done by email and password. It was anticipated that each pub would use a generic email and then issue staff with the password. This could be changed on a nightly basis to restrict it to employees who were working a specific shift.

AGREED (unanimously) that the purchase of 40 annual licences for the SchemeLink app, at a cost of £1,240 for one year only, be supported and approved.

25 REVIEW OF CONTROLS FOR DRINKING IN PUBLIC PLACES

The Committee considered the report presented by the Business Manager – Environmental Health & Licensing which sought to inform Members of the changes to the legislative controls relating to Designated Public Places Orders (DPPOs) and the control of drinking in public places. The report also sought Members approval to commence a consultation process on the use of Public Spaces Protection Orders (PSPOs) to control drinking in public places.

It was reported that there had been 14 DPPOs in the district, with the areas listed in paragraph 2.3 of the report, all of which had automatically been transferred to PSPOs in October 2017 and that these must be reviewed within a 3 year period of transfer. Paragraph 3.5 set out the basis on which a local authority could make a PSPO. It was

proposed that the relevant town and parish councils be contacted as to whether they would seek to renew, replace or remove the current controls for drinking in public spaces and that comment also be sought from the Police and the Council's Community Safety Business Unit.

To clarify, the Business Manager advised that the Orders did not prohibit the drinking of alcohol in public spaces but gave the Police powers to stop an individual drinking alcohol if there was a possibility of antisocial behaviour occurring. He also advised that prior to the Inspector for Newark leaving to take up her new role, she had stated that she thought there was insufficient evidence to support some of the Orders' continuation.

In relation to how these Orders would be enforced, the Business Manager advised that under the Council's recently launched Cleaner, Safer, Greener Campaign there would be a recruitment of Neighbourhood Wardens who would be authorised to confiscate alcohol as well as Police Officers.

AGREED (unanimously) that the transfer of DPPOs to PSPOs and the proposals for consultation be noted and supported.

26 REVIEW OF STATEMENT OF LICENSING POLICY - CONSULTEE RESPONSES

The Committee considered the reported presented by the Business Manager – Environmental Health & Licensing which sought Members' approval for the proposed revision of the Council's Licensing Policy and a recommendation to Full Council for approval and adoption.

The Committee had approved some amendments to the Policy in June 2018 and that it be released for consultation. The responses received to that were included at Appendix 1 to the report. Paragraph 3.2 of the report stated that there had been no substantial changes made as a result of the responses received.

A Member of the Committee noted that there was a congregation of establishments in Newark Market Place and queried whether consideration had been given to preventing this in future. The Business Manager advised that location would be a planning matter and that when determining an application for a premises licence the demand for a premise could not be taken into consideration. It was also noted that a more diverse spread of establishments led to lower levels of antisocial behaviour.

Members noted the comments in relation to vertical drinking made by Newark Town Council and that it should be supported. The Chairman commented that this had been subject to discussion some years previously when evidence had shown that vertical drinking was the main source of antisocial behaviour.

AGREED (unanimously) that the draft Statement of Licensing Policy be approved and forwarded to full Council with a recommendation for adoption.

27 MINUTES OF LICENSING HEARING HELD ON 21 SEPTEMBER 2018

AGREED (unanimously) that the Minutes of the Licensing Hearing held on 21 September 2018 to consider the suspension or revocation of a Personal Licence be noted.

28 TEMPORARY EVENT NOTICES RECEIVED AND ACKNOWLEDGED BETWEEN 1 JULY AND 30 SEPTEMBER 2018

The Committee considered the report presented by the Licensing Officer in relation to Temporary Event Notices received between 1 July to 30 September 2018.

A Member of the Committee noted that a particular venue continued to have numerous TENs to supplement their Premises Licence with the Member stating that he considered it to be an abuse of the licensing process. The Business Manager advised that there was a planning and environmental health investigation into the area.

AGREED (unanimously) that the report be noted.

29 UPDATE ON QUARTERLY PERFORMANCE AND ENFORCEMENT MATTERS

The Committee considered the report presented by the Licensing Officer in relation to the activity and performance of the Licensing Team between 1 July and 30 September 2018.

AGREED (unanimously) that the report be noted.

30 EXCLUSION OF THE PRESS AND PUBLIC

That, under section 100A (4) of the Local Government Act 1972, the public be excluded from the meeting for the following items of business on the grounds that they involved the likely disclosure of exempt information as defined in Paragraphs 1, 2, 3 and 7 of part 1 of Schedule 12A of the Act.

None

Meeting closed at 6.50 pm.

Chairman

LICENSING COMMITTEE

14 MARCH 2019

REVIEW OF PAVEMENT LICENCES IN NEWARK

1.0 Purpose of Report

1.1 To outline an approach to the regularisation of pavement licenses in Newark Town Centre.

2.0 Background

2.1 Concerns have been expressed about the number of premises that are using outdoor seating areas, many of which appear to be uncontrolled.

3.0 Introduction

3.1 Applications for a licence to trade on pavements (when it forms part of the highway) are issued under section 115E of the Highways Act 1980. For applications within Newark & Sherwood the applications have to be made to Nottinghamshire County Council as they are the Highways Authority. The licences are known as Pavement Café Licences.

3.2 The County Council have confirmed that in the past they have issued two Pavement Café Licences, one to the Sir John Arderne Public House (Wetherspoon's) and one to the Queen's Head. Both premises are located on the edge of Newark Market place.

3.3 The County Council issues licences are issued for period of five years, however, they have confirmed that those that were issued have now expired.

3.4 When licenses are issued they are subject to a number of conditions. A copy of the Nottinghamshire County Council conditions are attached as **Appendix 1**. The District Council is a consultee on any application for a pavement licence

4.0 Proposals

4.1 As stated above Pavement Café Licences are issued by the County Council and therefore the degree of control that the Committee can have over the pavement café licensing regime is somewhat limited.

4.2 It is proposed that a working group be established to examine the extent of the problem and to develop an approach that imposes sufficient controls without detriment to the vitality of the town centre.

4.3 The suggested membership of the working group is:

Chairman of Licensing Committee
Representative of Via
Newark Town Council
County Councillor
District Council Officer(s)

4.4 The working group will be time limited and will report its findings back to Licencing Committee by September 2019

5.0 RECOMMENDATIONS that:

- a) a Pavement Café Licencing Working Group be established to examine the issues in Newark Town Centre and develop an approach that supports the objectives of the Licencing Act whilst supporting town centre vitality; and**
- b) the Working Group reports back to Licencing Committee in September 2019**

Background Papers

Highways Act 1980

For further information please contact Alan Batty on 01636 655467

Matt Finch
Director – Communities & Environment

If you wish to create a pavement cafe in the highway you will need to apply for a licence. **The application fee is non-refundable** so it is advisable to discuss any proposals with the Highway Authority, the Local Planning Authority and the local Premise Licensing Authority before making a formal application. Each application will be treated on its own merits and the County Council reserves the right to refuse applications or to apply such conditions as it thinks fit. Applicants should be aware that it will be necessary to consult with neighbouring properties.

1. **Sole Purpose of the Licence:** - The Pavement Café must be used solely for the purpose of consuming refreshments and not for any other purpose
2. **Production of the Licence on Demand:** - The Licence shall be displayed in the window of the premises to which it relates. It shall be available for inspection by a Police Officer or a duly authorised Officer of Nottinghamshire County Council (or its Agent) if required.
3. **Site Constraints:** - A minimum clear width of 2.1m in town centres and 1.8m elsewhere must be maintained between the boundaries of the pavement café and the street furniture / kerb line at all times. In a Pedestrianised area there must be at least 3.5 metres of unobstructed space in front of the pavement café so that large vehicles such as delivery lorries and fire appliances can pass. The pavement café shall not obscure sight lines for any highway user, interfere with drainage or conflict with dropped crossings
4. **Defining the Pavement Café Area:** - The County Council (or its Agent) may, if necessary, discreetly mark on the highway the extent of the Pavement Café area to ensure its accurate location.
5. **Furniture:** - The Pavement Café Licence only permits tables, chairs, umbrellas and barriers to be placed in the highway. No other items, for example space heaters, are permitted. Furniture must be of high quality, uniform style and should compliment the surrounding area. The use of plastic garden furniture or picnic tables will not be permitted. Furniture must be in a clean and serviceable condition at all times. The specification of all furniture must be approved by the County Council or its Agent.
6. **Barriers:** - A barrier approximately 1.0m high incorporating a tapping rail not more than 150mm above the ground must be provided to guide persons safely around the Pavement Café. Barriers must not be permanently fixed to the ground where this is public highway. The barriers shall be designed to resist collapse or movement by being blown over or accidentally stumbled into. The specification of the barriers must be approved by the County Council or its Agent.
7. **Emergency Exits:** - All emergency exits and routes from buildings must be kept clear.
8. **Hours of operation:-** These shall be specific to the Licence but will not be outside of 9am until 11pm
9. **Removal of Furniture:-** Furniture and barriers must be removed from the designated area at the end of the working day and shall not be stored on the highway.
10. **Other Licences/Permissions:** - It is the responsibility of the Licence Holder to obtain all other consents necessary to extend their business onto the highway including where appropriate, any amendment to their existing liquor licence or change of use consent.
11. **Obstruction/Danger/Nuisance on the Highway:** - The Licence Holder shall not cause any obstruction or danger to people using the highway. The Licence Holder is responsible for the conduct of people within the Pavement Café, allowing rowdy or unruly behaviour may lead to the withdrawal of the licence.
12. **Noise/Nuisance Control:** - Noise, disturbance, smells or litter which cause a nuisance to the owners or occupiers of any adjacent premises or to members of the public are not acceptable. Amplified music will not be permitted.

13. **Cleansing of the Area:-** The Licence Holder will ensure that the Pavement Cafe is maintained in a clean and tidy condition and they shall take all necessary precautions to prevent the highway from becoming littered as a result of their trading activities
14. **Surface of the Highway:-** The Licence Holder shall not undertake any alterations to the highway surface.
15. **Insurance/Liability/and Indemnity:-** The Licence Holder is required to have valid third party public liability insurance to the value of £5,000,000 for any one incident. This insurance shall be applicable to the Pavement Café area. Evidence of valid insurance shall be made available when demanded by a duly authorized officer of Nottinghamshire County Council (or its Agent). The Licence Holder is required to produce proof of valid insurance to the County Council or its Agents on an annual basis
16. **Consumption of Alcohol:-** The Pavement Cafe Licence does not give, or imply any permission to supply intoxicating liquor in the street.
17. **Advertising:-** Advertising of alcoholic or smoking products or their manufactures will not be permitted on the barriers or furniture within the Pavement Café area. Advertising may only relate to the premises or business and will require the approval of the County Council (or its Agent).
18. **Temporary Suspension of Permission:-** All necessary items shall be removed from the highway if requested by a police officer, an authorised Council officer or representative of a public utility. These items shall remain off the highway for as long as is required.
19. **The Pavement Café Licence is non-transferable:-** The Licence is not a transferable asset.
20. **Failure to Comply with the Licence Conditions:-** Failure to comply with any of the above conditions will result in the County Council (or its Agent) serving a notice stating what remedial action is required and a timescale for this action. Failure to comply with the notice may result in the County Council taking action, for which it will recover all reasonable expenses. Failure of the licence holder to comply with any notice may result in the revocation of the licence. The County Council (or its Agent) will order the immediate removal of the Pavement Café if it presents a hazard, if the Licence Holder fails to respond the County Council (or its Agent) shall remove the Pavement Café and recover its reasonable costs from the Licence Holder.

Licensing authorities

For Bassetlaw, Newark, Ashfield and Mansfield

Cheques should be made payable to Nottinghamshire County Council

Completed application forms should be returned to:

Highways North Area Office
 Nottinghamshire County Council
 Highways Management

For Rushcliffe, Gedling and Broxtowe

Cheques shall be made payable to Nottinghamshire County Council

Completed application forms should be returned to:

Highways South Area Office
 Nottinghamshire County Council
 Highways Management
 Trent Bridge House
 Fox Road
 West Bridgford
 Nottingham NG2 6BJ

LICENSING COMMITTEE

14 MARCH 2019

A STRATEGY FOR THE NIGHT TIME ECONOMY

1.0 Purpose of Report

- 1.1 To update Members on the development of a Strategy for the Night Time Economy (NTE) improving the town's early evening and late evening economy.

2.0 Background

- 2.1 The Night Time Economy is a widely used but relatively ill-defined phrase. It is generally taken to encompass provision and facilities for leisure and entertainment in the evening and into the early morning – perhaps from 6pm to 4am inclusive. It includes, but not exclusively, retail shops, bars, pubs, clubs, restaurants, takeaways and fast food premises and the supporting infrastructure such as taxis and private hire vehicles, late night buses, and late night street cleaning. All late opening licensed premises would be part of the late night economy
- 2.2 Whilst the night time economy is important to Newark there is no single strategy that addresses the important factors that go to make a successful and safe night time economy. The Council's Licensing Policy is perhaps the most important but this is very clearly geared towards the four licensing objectives and does not take account wider cultural and economic issues.
- 2.3 In 2015 a report was presented to the Licensing Committee setting out some proposals for taking forward the development of a Night Time Economy Strategy.
- 2.4 Issues with the night time economy are not unique to Newark. Most cities and towns across the UK are experiencing some negative side effects of a having a vibrant night life. Locally the Police have seen an increase in the numbers of incidents of crime and anti-social behaviour recorded during the late evening and early mornings mainly associated with the consumption of excess alcohol.
- 2.5 Through 2016/17 attempts were made to engage partners in the development of a strategy. However, with the exception of Newark Business Club the response to working with the district to develop a strategy was limited. There are a number of reasons for this. Firstly, the tools available for developing strategy for a town the size of Newark are limited. Many larger towns use the 'Purple Flag' scheme to assess the needs of the town centre and set an action plan. Unfortunately the purple flag scheme does not lend itself for use in smaller towns. Secondly, the district council and its partners did not have one Business Unit focused on the town centre which made it difficult to obtain the focus required from officers involved

3.0 Proposals

- 3.1 As Members will be aware the recent Business Unit restructure has resulted in the creation of the Town Centre Development Manager and this post will take the lead on creating a new vision and plan of improvements for Newark Town Centre.

3.2 The Council's Corporate Objectives have also been reviewed and set out below is one of the new objectives that has been agreed.

Objective 7: Enhance and Sustain Newark Town Centre

3.3 One of the key activities identified to deliver this objective is:

Improving the night time economy and overnight accommodation within the Town Centre (Years 1-4).

3.4 Whilst the key activity above does not specifically mention the development of a NTE Strategy it is evident that this will be a key driver in moving forward in the development of Newark's Night Time Economy. The activity is identified to take place from year one therefore it is proposed that the Town Centre Development Manger be invited to attend a future meeting of the Licensing Committee to outline the approach to be taken and to understand the role that Licensing plays in the night time economy.

4.0 Comments of the Director – Growth & Regeneration

4.1 The need to address night-time economy issues and opportunities, including the development of a NTE Strategy, will be a key strand of the wider Town Centre Regeneration aspirations that will now rest with the newly created Town Centre Business Unit. I fully support the suggestion that the Town Centre Development Manager attend a future meeting to report on how any NTE Strategy can be incorporated into wider Town Centre proposals. For awareness the post of Town Centre Development Manager is yet to be recruited to.

5.0 RECOMMENDATION

That Members consider the update of the Night Time Economy Strategy for Newark and agree the approach set out that will see the Town Centre Development Manager taking a lead on this initiative.

LICENSING COMMITTEE

14 MARCH 2019

EXAMINATION OF THE MEASURES OF HARM AND BURDEN ASSOCIATED WITH ALCOHOL

1.0 Purpose of Report

1.1 For Members to consider the work undertaken in conjunction with the Nottinghamshire County Council Public Health Team examine the measures of harm and burden associated with alcohol

2.0 Background

2.1 The primary aim of this piece of work is to illustrate variation at sub-district level in measures associated with alcohol and to identify areas where the combined measures are the greatest. The set of measure (or indicators) used are set out at **Appendix 1**.

3.0 Introduction

3.1 Alcohol is now a part of society through both its consumption and distribution. Inappropriate use can lead to poor health outcomes for individuals and groups, either directly or indirectly and increase the burden on services. In this sense where harm may come to the population it is a public health concern.

3.2 Public Health England have an online data tool (LAPE) that profiles the impacts on public health of alcohol using a range of measures presented at upper tier and lower tier level. While useful as a general tool for context it does not reveal variation within district or link to the alcohol licensing objectives.

3.3 The Licensing Team has worked with the Public Health Team at Nottinghamshire County Council to develop the indicators and then map them on a district wide basis.

3.4 Members will be aware that consideration of public health is not a direct alcohol licensing objective however there are harms and burdens that fall under existing alcohol licensing objectives enabling public health themes to be considered indirectly.

3.5 This piece of work is an attempt to explore what information is available and useful and to present it in a form that shows how there is variation at sub-district level in measures of interest to public health but also align with the alcohol licensing objectives to assist the Licensing Authority in its decision making process.

3.6 In simple terms a number of indicators (**Appendix 2**) have been aggregated together and mapped to summarise the accumulation of cumulative impact of all these measures. The results are expressed as rankings for the district so they are not comparable with other areas outside Newark & Sherwood.

3.7 A further selection of maps are attached as **Appendix 2**.

4.0 Discussion of the Findings

4.1 Summary of all Measures

Areas with overall relatively higher levels of harm and burden related to alcohol include:

North and East

- Ollerton
- Part of Boughton
- Part of Edwinstowe and Clipstone
- Towards Clipstone
- Part of Rainworth South and Blidworth
- Towards Blidworth

South West

- Castle, Bridge, Devon

4.2 These areas represent a summary across all the measures considered to suggest where harms and burden are cumulatively higher. This does not mean that these areas show relatively higher harm and burden for all measures.

4.3 Drinking at Least Once a Day

This is an estimate of the percent of the population who drink at least once a day.

4.4 Perhaps surprisingly it is the rural areas of that show relatively high levels of those estimated to drink once or more per day. There is almost, but not quite, an apparent inverse relation with areas of deprivation – suggesting those living in less deprived areas are more likely to drink at least once a day.

4.5 Hospital Admissions Attributable to Alcohol

An estimate of the scale of hospital admissions attributable to alcohol. The ‘alcohol-related narrow’ definition is used here. This is a more focussed consideration of alcohol related hospital admissions. Contrast to the ‘alcohol-related broad’ definition which is more relaxed in selecting episodes but is sensitive to improving coding standards and the ‘alcohol-specific’ definition which focusses on only a subset of alcohol attributable conditions.

4.6 Location of Licensed Premises.

Breakdown by On-License, Off-License and Entertainment only License.

4.7 Licensed premises seem to cluster around dense urban areas. Dense urban areas are mostly, but not always and not exclusively, associated with worse combined outcomes for the alcohol related measures considered. Clusters of licensed premises do not always align with areas of worse outcomes for alcohol related measures.

4.8 These maps may confirm or challenge existing understanding of spatial variation in measures associated with alcohol at sub-district level. The maps are limited in theme coverage by available data for certain measures. The measures provide context to issues associated with alcohol however not all measures link directly to Alcohol Licensing Objectives.

5.0 **RECOMMENDATION**

That Members consider the information provided and identifies any future information that they may want to consider for future mapping.

LICENSING COMMITTEE

14 MARCH 2019

TEMPORARY EVENT NOTICES RECEIVED AND ACKNOWLEDGED BETWEEN 1 OCTOBER TO 31 DECEMBER 2018

1.0 Purpose of Report

1.1 To inform Members of changes to Temporary Event Notices and notices that have been received and acknowledged between 1 October and 31 December 2018 inclusive.

2.0 Background

2.1 The Licensing Act 2003 introduced a light touch system for ad hoc, permitted temporary activities. A Temporary Event Notice (TEN) is given by an individual (a premise user) and authorises the premises user to conduct one or more licensable activities at premises.

2.2 There are two types of TEN;

- A standard TEN, to be given no later than 10 working days before the event to which it relates
- A late TEN, can be given 9 and not later than 5 working days before the event. Late TENs are intended to be used by premise user who is required for reasons outside their control to for example, change the venue at short notice.

2.3 Only the Police and Environmental Health can make representation against the TEN. Once the Police and Environmental Health receive a TEN, they have 3 working days to make any objections to it on the grounds of any of the four licensing objectives: prevention of crime and disorder, prevention of public nuisance, public safety and the protection of children from harm. If no objections are received the event will go ahead as planned. If an objection is received for a standard TEN the Council will have to organise a hearing to consider the objection and may impose conditions or decide that the event cannot go ahead. If an objection is received against a late TEN, no hearing is held and the application is refused.

3.0 Attachments

3.1 A detailed list of Temporary Event Notices is attached at **Appendix A**.

4.0 RECOMMENDATION

That the report be noted.

Background Papers - Nil

For further information please contact Nicola Kellas on extension 5894.
