- (i) In accordance with Rule No 13.1, Councillor P. Peacock will move and Councillor N. Mitchell will second a motion to the following effect:

“This Council

1. Notes the conclusion of the Home Affairs Select Committee report (Policing for the future, published on the 25th of October 2018) that “Policing is struggling to cope in the face of changing and rising crimes” and its recommendation that policing funding should be prioritised in the Budget and forthcoming spending review.
2. Notes that since 2010, police numbers have fallen significantly both nationally and locally as a result of Government cuts.

3. Notes that cuts to other services through austerity increases the demand on the police which often acts as the “public service of last resort”.
 4. Recognises that many residents in Newark and Sherwood are concerned that the cuts mean that Nottinghamshire Police is no longer visible in our communities, no longer has the capacity to respond on community safety, and that consequently the fear of crime is rising.
 5. Endorses the Council’s policy of working in partnership with the police to respond to community safety concerns.
 6. Condemns the Government’s continuing policy of reducing the resources available to the police and transferring the cost to the Council taxpayers through the Police Authority precept.
 7. Will write a letter to the Home Secretary calling on the Government to use the police grant announcement for 2019/20 to begin to reverse the damaging cuts to Policing in Nottinghamshire and make an immediate investment in making our communities safer.”
- (ii) In accordance with Rule No 13.1, Councillor D. Staples will move and Councillor Mrs L. Tift will second a motion to the following effect:

“This Council notes the recent report of the UN Rapporteur on Extreme Poverty and Human Rights, Philip Alston, on the UK, which said that levels of child poverty are “not just a disgrace but a social calamity and an economic disaster.” We are aware that already high levels of child poverty in our District, which in some wards is well over 30%, are very likely to increase significantly as Universal Credit is rolled out here. As Councillors with a responsibility for the health and welfare of our citizens we urge the Government to:

1. stop the roll out of the discredited Universal Credit system;
2. increase support for families dependent on benefits; and
3. abandon further cuts to local government funding.

The Council instructs its Chief Executive to write to the newly appointed Work and Pensions Secretary, Amber Rudd, to inform her of these concerns in the hope that she will not follow her predecessor in denying the realities that the Rapporteur made clear.”
