PRESENT: Councillor Mrs R Crowe (Chairman)
Councillor R White (Vice-Chairman)

Councillor L Brazier, Councillor Mrs B Brooks, Councillor Mrs I Brown, Councillor S Carlton, Councillor M Cope, Councillor P Harris, Councillor R Jackson, Councillor Mrs S Michael, Councillor Mrs S Saddington, Councillor I Walker, Councillor K Walker and Councillor Mrs Y Woodhead

ALSO IN ATTENDANCE: Councillor L Goff

APOLOGIES FOR ABSENCE: Councillor Mrs K Arnold (Committee Member)

11 DECLARATIONS OF INTERESTS FROM MEMBERS AND OFFICERS

NOTED that no Member or Officer declared any interest pursuant to any statutory requirement in any matter discussed or voted upon at the meeting.

12 DECLARATION OF ANY INTENTION TO RECORD MEETING

NOTED that an audio recording was to be made of the meeting by the Council.

13 MINUTES OF THE MEETING HELD ON 13 JUNE 2019

AGREED (unanimously) that, subject to the inclusion of Cllr. Mrs S Saddington as not being able to attend the Licensing Training (Minute No. 5) the Minutes of the meeting held on 13 June 2019 be approved as a correct record and signed by the Chairman.

14 PAVEMENT LICENCES - NEWARK TOWN CENTRE

The Committee considered the report presented by the Business Manager – Public Protection in relation to the review of pavement licences in Newark Town Centre.

It was reported that following the Committee's decision in March to review pavement licences in Newark the survey had now been completed with the results circulated at the meeting. It had been previously agreed that a small working group be established to review the findings and to look at establishing a consistent approach to the conditions that could be applied to any licences issued. Provisional discussions had been held with Newark Town Council to draft some possible conditions. It was noted that Nottinghamshire County Council (NCC) had an established Pavement Licence regime and it was proposed that the Working Group would consider the fee structure and the duration of the current NCC licences.

In considering the report a Member commented that, in relation to the proposed conditions, it should be made explicit that the referred to 'street café area' was for seating only and that there should be no standing areas.

In response to whether any café could have an outside seating area the Business Manager advised that they would need a licence from NCC to operate their business in that manner, however, NCC were not proactive in enforcing the requirement. Members agreed that in some cases the placing of chairs and tables etc. caused problems for both pedestrians and road users. The Business Manager advised that he was aware of the issues and that was why non-alcoholic premises had been included in the survey. It was noted that the Council had little enforcement power in this matter as it lay with NCC and Newark Town Council, if the area in question was on their land.

Members queried whether the survey could be extended to include areas other than those of Newark Town Centre. The Business Manager advised that should there be positive engagement with NCC then the area could be widened. He noted, however, that it was considered a low priority by NCC unless a premise became problematic.

Members suggested that the current review area be extended to include premises on Lombard Street, Castlegate and specifically the Water's Edge premise.

AGREED (unanimously) that:

- (a) the results of the survey be noted;
- (b) the draft conditions be noted and amended to include wording to explicitly stated that any outside area should ONLY be used for seating and not standing;
- (c) the role of the Working Group be supported; and
- (d) the current survey area be widened to include:
Lombard Street; Castlegate; and the Water's Edge.

15 SCHEMELINK FOR PUB WATCH

The Committee considered the report presented by the Business Manager – Public Protection in relation to the use of the Schemelink software for members of Pubwatch within the District.

The report detailed the number of Pubwatches in operation in the district and the number of members within each group. It set out the issues considered such as: problematic customers; previous incidents; how they were handled; and up-coming events and their potential impact. The report also set out the features of Schemelink and how this benefited the members of Pubwatch who used it.

AGREED (unanimously) that:

- (a) the Schemelink App be noted;

- (b) the proposal to roll the App out to the Ollerton Pubwatch be supported.

16 LICENSING ACT TRAINING - MANSFIELD

The Committee considered the report of the Business Manager – Public Protection in relation to the feedback received following the Licensing Act training held on 3 July 2019 which, on the whole, had been positive.

In considering the report the Members who had attended the training agreed that it had been useful and well delivered.

In asking for any topics for future years, two Members requested that consideration be given to amending the day of the week when the training was held as they had permanent weekly commitments which prevented them from attending.

In closing the debate the Chairman requested that the Committee's thanks to the Licensing Officers for organising the event be put on record.

AGREED (unanimously) that the report be noted.

17 REVIEW OF CONTROLS FOR DRINKING IN PUBLIC PLACES

The Committee considered the report presented by the Business Manager – Public Protection which updated Members on the public consultation exercise carried out between July and August 2019 on the proposed revised scheme of Alcohol Control Public Space Protection Orders (PSPO) within the district.

The report set out the background to previous alcohol control measures; Designated Public Place Orders (DPPOs) and the requirement, under the Anti-Social Behaviour, Crime & Policing Act 2014, to review both the geographical area and nature of the controls with a view to adopting the revised PSPOs. Any PSPO would need to be reviewed at least every 3 years to ensure that restrictions imposed remained necessary and proportionate to the levels of ASB affecting the location to which they applied. Paragraph 2.2 of the report set out the purpose of the consultation with Parish Council's and the public and listed the 14 areas in the district covered by PSPOs with a note of the public consultation document being appended to the report at Appendix 2.

Paragraph 3.6 highlighted the concerns in relation to nuisance drinking in public places in Newark town centre and set out two options for consideration on how this may be resolved. A table summarising responses from all Parishes consulted was listed at Paragraph 3.7 with Paragraph 4.0 setting out the proposals based on the consultation responses received.

In considering the report Members expressed concern in relation to the proposal to revoke some of the PSPOs. Specific reference was made to the following areas:

Sutton-on-Trent

The Local Member, also a Member of the Committee, stated that she had spoken with Inspector Heather Sutton about the matter and she had said that she would wish to see the Orders remain in place as they acted as a deterrent. She advised that it was her understanding that the Parish Clerk had not been contacted and that there continued to be problems in the area that were being dealt with by the local PCSO. The Member queried as to the name of the Parish Clerk who had been contacted and that Sutton-on-Trent be included on the proposed further consultations.

In response, the Business Manager advised that, during discussions, Inspector Sutton had suggested that the Orders be removed as the Police no longer had sufficient resources to support them. The Assistant Business Manager reiterated the above comments, adding that if there were problems in Sutton-on-Trent no evidence had been submitted. She added that she would review the addressee of the consultation.

Edwinstowe

The Local Member, also a Member of the Committee, also queried as to the name of the Parish Clerk contacted as Edwinstowe PC had undergone a change in Clerk. He requested that the Parish be included on the proposed further consultations.

The Committee's representative on the Community Alcohol Partnership in Ollerton advised that they were receiving conflicting information at their meetings with that being discussed. The Assistant Business Manager advised that using Fixed Penalty Notices (FPNs) to enforce PSPOs did not include U18's. She added that Youth Offending Teams; the Police; and schools all agreed that other methods of enforcement, including restorative justice, were a better alternative method. The individual would still be approached if they were in a designated area but would not be subject to prosecution. The Business Manager advised that the overriding control was to remove the alcohol or to pour it away adding that the use of FPNs was for consistent breaches. Work was ongoing to use restorative justice with this type of enforcement recently being used successfully in Newark and Balderton.

In relation to the new signage referred to in Paragraph 6.1, a Member requested that this be amended from that previously used and that the wording be clear and concise in its purpose and erected at a level that it was easily read.

Councillor R. J. Jackson left the meeting at this point (7:34pm).

In order to clarify the matter the Business Manager advised that when DPPOs had originally been made evidence to support them was less stringent. The requirement was now to remove them unless evidence could be produced to support them. If problems arose then they could be re-issued if the necessary evidence was produced. He suggested that, subject to the removal of Sutton-on-Trent from the list of parishes to have their PSPO revoked, the proposals be actioned, following contact being made with each parish to ensure they were fully aware of the proposals.

In considering the comments of the Business Manager a Member commented that the suggested 12 month period for reconsideration was too long. The Business Manager commented that any issues would be reviewed as to whether it was an isolated incident but if found to be a sustained problem then consideration would be given to putting an Order in place.

In response as to whether all the parishes could be contacted to ascertain their understanding of the issues prior to proceeding the Assistant Business Manager advised that although the Orders remained in place, the Police did not have a mechanism to deal with them as it was now the responsibility of the Council. The proposals would give NSDC Officers the authority for the initial intervention thereby freeing up Police resources. She added that until the proposals were approved, the Police or the Council could not issue a FPN as a means of enforcement.

AGREED (unanimously) that:

(a) the terms of the PSPO are:

an authorised officer of the Council or Police may ask a person who:

- is consuming or appears to be consuming alcohol in an area covered by the PSPO; and
- that person is causing or is likely to cause anti-social behaviour

to

- cease drinking the alcohol and dispose of the alcohol;
- or surrender the alcohol to the Officer;
- or immediately leave the area covered by the PSPO;

(b) the fixed penalty level for all Public Space Protection Orders is set at £100.00 reduce to £75.00 if made within 14 days;

(c) the Parish Clerks of the previously declared DPPOs incorporated as PSPOs for:

- Blidworth
- Edwinstowe
- Farnsfield
- Sutton-on-Trent; and
- Rufford Country Park (NCC)

be contacted requesting completion of the consultation document and the supply of evidence to support any ongoing issues. The decision on future PSPOs will be brought back to 14 November 2019 Committee for consideration;

(d) a Public Space Protection Order covering Newark Town Centre as shown in Appendix 3 (Option 1) be approved (revised plan circulated at the meeting); and

(e) the previously declared PSPO's as shown below be revoked:

- Newark Castle Grounds
- Newark Town Centre
- Newark Winthorpe Road
- Newark Yorke Drive

18 LICENSING COMMITTEE FORWARD PLAN (OCTOBER 2019 TO SEPTEMBER 2020)

The Committee considered the Licensing Committee's Forward Plan for October 2019 to September 2020.

A Member raised concerns as to the number of variations for Designated Premises Supervisors (DPS's) and the closure of premises. He requested that an annual report be presented to Committee with statistics for the above. The Business Manager advised that the number of variations in relation to DPS's was included in the Update on Quarterly Performance and Enforcement Matters report, however, in relation to premise closures, unless a Premise Licence was surrendered the Licensing Team would not necessarily be made aware that a premise had closed.

AGREED (unanimously) that the Forward Plan for the Licensing Committee be noted.

19 COMMUNITY ALCOHOL PARTNERSHIP UPDATE

The Committee considered the verbal presentation of Councillor Lee Brazier, the Committee's representative on the Community Alcohol Partnership (CAP) for Ollerton. He advised that he had attended 2 meetings and that the ongoing theme was that of underage drinking. It was intended to hold some workshops on the issue with young people; parents; and grandparents being invited to attend to discuss the issues surrounding underage drinking.

The Partnership was also looking at ways in which to reduce antisocial behaviour with the Council's company for delivering leisure, Active4Today, also looking at ways in which to engage young people.

Awareness of the effects of consuming energy drinks was also been raised and that the CAP for Clipstone was currently being formed.

It was noted that the sale of alcohol to U18's and proxy sales was also an issue that was being discussed with possible test purchasing being considered.

AGREED (unanimously) that the verbal update be noted.

20 UPDATE ON QUARTERLY PERFORMANCE AND ENFORCEMENT MATTERS (APRIL TO JUNE 2019)

The Committee considered the report of the Director – Communities & Environment in relation to the activity and performance of the Licensing Team between 1 April to 30 June 2020 inclusive together with details of current ongoing enforcement issues.

AGREED (unanimously) that the report be noted.

21 TEMPORARY EVENT NOTICES (APRIL TO JUNE 2019)

The Committee considered the report of the Director – Communities & Environment in relation to Temporary Event Notices (TEN) received and issued between 1 April to 30 June 2019 inclusive.

A Member raised concerns as to the logging of complaints by the Police which related to a TEN and whether their system was sufficiently robust to ensure that they would be able to raise an objection to any further application from a premise that they had a complaint logged against. The Business Manager advised that he was confident that all statutory consultees would respond accordingly.

The Member also made comment about a specific premise in his Ward and how their actions and the way in which they operated caused disruption to their neighbours. The Business Manager advised that the use of TENs was intended to be a light touch approach but that if the operation at the premise continued to be problematic, then affected parties could see to review the Premises Licence.

AGREED (unanimously) that the report be noted.

22 EXCLUSION OF THE PRESS AND PUBLIC

That, under section 100A (4) of the Local Government Act 1972, the public be excluded from the meeting for the following items of business on the grounds that they involved the likely disclosure of exempt information as defined in Paragraphs 1, 2, 3 and 7 of part 1 of Schedule 12A of the Act.

None

Meeting closed at 8.04 pm.

Chairman

LICENSING COMMITTEE

12TH MARCH 2020

REVIEW OF CONTROLS FOR DRINKING IN PUBLIC PLACES

1.0 Purpose of Report

1.1 To report the findings of the additional consultation with Parish Councils and the Police, on the proposed revised scheme of Alcohol Control Public Space Protection Orders (PSPO) within the district.

2.0 Background

2.1 In September the Committee considered a report on a Public Space Protection Orders. There was some concern expressed about the responses from the Parish Councils and the police in regard to a number of Parishes where there was a proposal to remove the current controls.

2.2 It was agreed that additional consultation would take place with Parish Council's and the police on whether the existing scheme of PSPO's for alcohol control remained relevant and that advice would be sought on if and how they could be revised.

3.0 Introduction

3.1 The initial review, has been carried out in accordance with Government Guidance and has considered if the geographical area and specific controls enforced under the PSPO are still necessary and appropriate based on a review of the evidence of existing and likely ASB. PSPO's cannot be used as a pre-emptive control.

3.2 The Parishes identified for additional consultation were:

- Blidworth
- Edwinstowe
- Farnsfield
- Sutton on Trent
- Rufford Country Park. Nottinghamshire County Council

3.3 All of the Parishes have now been contacted and their response is set out below.

3.4 Edwinstowe

Have requested that the DPPO controls remain in place but have been unable to supply additional evidence or detailed information concerning incidents of Alcohol related ASB.

3.5 Blidworth

Have all requested that the DPPO controls remain in place and have forwarded their concerns about young people drinking on the park. However the police are unable

to back up the Parishes concerns as there has only been 1 report to the police either directly or via the local police team surgeries.

3.6 Rufford

The Parish Council has not requested further Alcohol Control's.

3.7 Sutton on Trent

The Parish have provided additional information and are citing issues and requesting a PSPO is considered.

3.8 Farnsfield

No further information has been submitted.

3.9 A number of different Parishes that also have a DPPO expressed concern in the previous round of consultation. These have now been subject to additional consultation and the outcomes are set out in the proposals below.

3.10 Regard has been given to the issuing of the penalty notices to people under the age of 18 and it has been decided that a robust system of support and mentoring by partner agencies is preferable to the use of FPN. Where it is identified that a person under the age of 18 has committed a relevant offence, a referral will be made via the Safer Neighbourhood Team Policing lead officer to the Youth Offending Team.

4.0 Proposals

PARISH AREA	No ASB REPORTS.	PROPOSED ACTION	JUSTIFICATION/ FURTHER COMMENT.
1. Farnsfield	0	Revoke DPPO	Nil reply stating any ASB
2. Rufford	0	Revoke DPPO	Nil reply stating any ASB
3. Balderton	3	Revoke DPPO	There is a lack of clear and definite evidence of alcohol related ASB occurring sufficient to justify a PSPO being necessary or proportionate. Implementing one at present would make it challengeable. The ASB team are aware of issues around Balderton Lake and Coronation Street Park, but there is no evidence to suggest that these involve drinking alcohol in that

			location.
4. Sutton on Trent	0	Revoke DPPO	Not justified in having PSPO due to lack of clear evidence of persistent alcohol related ASB.
5. Blidworth	1 pa	Revoke DPPO	Insufficient evidence of persistent alcohol related ASB to justify a PSPO.
6. Edwinstowe	1 pa	Revoke DPPO	Insufficient evidence of persistent alcohol related ASB to justify a PSPO.
7. Southwell	4 to police. Town council believe it is 10 reports	Revoke DPPO and implement PSPO	Although not significant number of actual reports to police and risk of perception of reports to Town Council greater than actuality, a PSPO is justified here given the proximity to the Minster. Its status as a significant religious and historic building and the adjacent parkland being a focal point for significant ASB in past years mean this PSPO is proportionate and appropriate. See map outlining proposed area
8. Rainworth	2	Revoke DPPO and implement PSPO	There are significant issues with ASB in this area and although these are underreported, the existence of efforts by joint partners to tackle ASB and drink related ASB in the area does justify a PSPO around Pit Lane and the Skate Park only. See map outlining proposed area
9. Ollerton	9	Revoke DDPO and implement PSPO	Ongoing issues. NSDC aware of alcohol related ASB in the area. CAP established to help resolve issues.

			PSPO justified by evidence. See map outlining proposed area
10.	Clipstone	5	Revoke DPPO and implement PSPO. Ongoing issues. NSDC aware of alcohol related ASB in the area. CAPS established to support the community and to help to resolve issues. PSPO justified by evidence. See map outlining proposed area

4.2 It is proposed that:

Ollerton & Boughton - the proposed PSPO area replicates that of the DPPO area. See map 1

Southwell - the proposed PSPO area replicates that of the DPPO area. See map 2

Clipstone - the proposed PSPO area replicates that of the DPPO area. See map 3

Rainworth is for the proposed PSPO to cover the Skate Park and Pit Lane area only. See map 4

4.3 It is proposed the terms of the PSPO are as follows:

An authorised officer of the council or police may ask a person who:

Is consuming or appears to be consuming alcohol in an area covered by the PSPO

And

That person is causing or is likely to cause anti-social behaviour

To

Cease drinking the alcohol and dispose of the alcohol,

Or surrender the alcohol to the officer.

Or immediately leave the area covered by the PSPO.

4.5 It is proposed that the fixed penalty level for all Public Space Protection Orders is set at £100.00 reduced to £75.00 if made within 14 days. This aligns the penalty level with that of similar environmental and ASB offences.

5.0 **Comments from the Council's solicitor**

- 5.1 The Legal advice on this matter is not to make PSPOs on the areas highlighted above. The option to make them for a limited time of e.g. 1 year in anticipation of alcohol related ASB occurring that may have previously been unreported, is not recommended because this would be unlawful.

The Orders must be evidence based and that is unfortunately lacking from many of the Parish Councils or their areas. The Parish Council's themselves have not reported significant and persistent ASB to the police or council and neither have their parishioners. Although some Parish Council's state they have reported more incidents that police records show, there is insufficient evidence to verify this.

6.0 Equalities Implications

- 6.1 The Equalities Impact Assessment has been completed. It is recognised that those with alcohol dependency may be adversely impacted. To mitigate any inequality and to ensure support is in place any individual who presents as being vulnerable, or who has previously been referred to LMAPS will be discussed at a case conference chaired by the Business Manager or Assistant Business Manager Public Protection, to establish the best course of action in both the interest of the public and in the interest of the individual concerned.

- 6.2 The revised scheme of FPN administration ensures that Environmental Crime within the district is enforced against in a consistent way. It promotes fairness through the "polluter pays principle". By offering an alternative to prosecution the FPN scheme provides a proportionate intervention against first time offenders. Young people have been exempted from the scheme due to their protected characteristic and their financial vulnerability. Alternative interventions are provided for in the policy. The Appeals scheme allows for a FPN to be revoked for public interests.

7.0 Financial Implications

- 7.1 There will be a need to produce new signage with a possible cost of between £500 and £1,000. There is a Repairs and Renewal scheme established for this.

8.0 Community Plan – Alignment to Objectives

- 8.1 ***Objective 2: Reduce crime and anti-social behaviour, and increase feelings of safety in our communities:*** The proposed control will provide an enforcement tool to control drink related ASB.

9.0 RECOMMENDATION:

- (a) That the committee supports the revocation of the DPPOs at
Farnsfield
Balderton

Blidworth
Edwinstowe
Sutton on Trent
Rufford Country Park

(b) That a Public Space Protection Order is agreed in :

Southwell
Clipstone
Ollerton and Boughton
Rainworth

As shown on maps 1 to 4

(c) The terms of the Order are agreed as set out in paragraph 4.3

(d) The fixed penalty level for all Public Space Protection Orders is set at £100.00 reduced to £75.00 if made within 14 days.

COUNTY WIDE BEST BAR NONE SCHEME FOR 2019/20

1.0 Purpose of Report

1.1 To update Members with the 2019/20 county wide Best Bar None Scheme.

2.0 Background

2.1 A report was presented to Licensing Committee in June of this year seeking support for the 2019/20 scheme. A copy of the report is attached as **Appendix 1**. It was anticipated that the scheme would be accepting applications during the autumn. This is not the case.

3.0 Review of the Scheme

3.1 It was always considered appropriate to review the findings from the previous year's scheme and to amend the scheme in line with any lessons learned. However, in undertaking the review it became apparent that a more fundamental review of the scheme was required.

3.2 This review was carried out by licensing staff from across the county. The main recommendation was that the current scheme was too process driven and focused heavily on licensed premises having the correct policies and procedures. It was thought that this approach favoured the larger pub chains that had centralised policies and procedures produced by the head office. Having looked at this element in more detail it became apparent that there was also some duplication between the requirements of the Best Bar None Scheme and the legal requirements of holding the licence and that the BBN scheme should reflect something over and above the legal requirement.

3.3 When the review was complete the element that was missing from the scheme appeared to be the measurement of customer experience and the enjoyment of the venue and the feeling of it being a safe place to visit.

3.4 Members may be aware that Best Bar None is a national scheme and that local authorities can adopt the scheme in their area subject to it meeting the national criteria set out for the scheme. The 'customer experience' does not yet form part of the national criteria, at least not in the form that the Nottinghamshire authorities envisaged taking it forward.

3.5 Discussions have taken place with the national executive of the Best Bar None organisation to discuss the changes that Nottinghamshire would like to see become part of the scheme. Whilst these were favourable received the national executive were not able to sign off the changes without further deliberation.

4.0 Proposals

4.1 In light of the above it is proposed that the 2019/20 scheme is put on hold until some clarity is received. It is hoped that the scheme can be relaunched in the spring/summer of 2020

5.0 RECOMMENDATIONS that:

(a) Members note the outcome of the review of the Nottinghamshire County Best Bar None Scheme; and

(b) support the delay of the Scheme to spring/summer of 2020

COUNTY WIDE BEST BAR NONE SCHEME FOR 2019

1.0 Purpose of Report

1.1 To update Members with the proposals for the 2019/20 county wide Best Bar None Scheme.

2.0 Background

2.1 The Best Bar None (BBN) scheme rewards licensees who provide good management, a safe and enjoyable environment for customers, discourage binge drinking and prevent alcohol related crime. It therefore encourages licensees to act responsibly and take pride in their premises and surroundings and, in doing so, put something back into the town and local community.

2.2 The rewards for licensees include, the prestige of being part of the awards scheme, increased business within the area and lower insurance premiums resulting from the fact that they are running safer establishments. It also provides an opportunity for licensees to demonstrate to official agencies how well they manage their own business. It is an opportunity for positive dialogue between the two sides.

2.3 In order to be awarded with the Best Bar None accreditation, premises must be compliant with all aspects of the law. However, for premises to have the potential of winning “best in the category” they must offer much more than this and this is one of the ways the Best Bar None Scheme helps to raise the standards of licensed premises, by providing a competitive framework. Although the scheme is nationally recognised, it can be tailored to the local environment. As a result, the scheme will not focus primarily on the late night economy and instead will capture all types of licensed premises across the County.

3.0 The Scheme to Date

3.1 Year One 2015/16

Across the county interest was expressed from 259 venues with applications being received from 109 premises. Within the Newark & Sherwood District there were 8 applications. Seven of the application premises met the Best Bar None criteria with the eighth just falling short. However, at the time of assessment they committed to a programme of improvements and have since satisfied the criteria and have been awarded the Best Bar None accreditation.

3.2 Year Two 2016/17

Across the county there were 197 venues that expressed an interest in the scheme. Of these 197, 82 venues have successfully been accredited. There were 9 venues that failed the accreditation and these venues have been provided with feedback to enable them to succeed the following year.

3.3 Within Newark & Sherwood there were 7 premises that successfully achieved accreditation and of these 7, 5 achieved either a distinction or a merit

3.4 Year Three 2017/18

The numbers of applications in year 3 was well below that experienced in previous years. This was seen both at county level and within Newark & Sherwood. In Newark & Sherwood there were only 3 applications

4.0 The Future of the Scheme

4.1 The scheme has been funded for 3 years from both the Nottinghamshire County Council and the Police & Crime Commissioner.

5.2 Discussions have now concluded with the Office of the Police & Crime Commissioner and they have confirmed that they will fund the scheme for 2019/20. However, the level of funding is reduced and therefore work is taking place to both redesign and reinvigorate the scheme so as to make it better value for money but also to attract more applicants.

5.3 Licensing Authorities have been requested to commit their support for the scheme in the coming year. This will be in the form of officer time to promote the scheme and to undertake the assessments of those premises that apply. There is no direct financial commitment required but some officer time will be required. It is not anticipated that this will have any detrimental impact on the other duties of the Licensing Team.

5.4 The Licensing Staff have been working hard through Pub Watch and through other initiatives to build a positive relationship with the licensing trade. It is hoped that these improved relations will encourage more premises to take part in the 2019/20 Best Bar None Scheme.

6.0 RECOMMENDATIONS that:

- (a) the progress of the Nottinghamshire County Best Bar None Scheme be noted; and,**
- (b) support be given to the Scheme in 2019/20.**

LICENSING COMMITTEE

REGULATION OF DOOR STAFF AT LICENSED PREMISES

1.0 Purpose of Report

1.1 To seek Members' approval for initiatives aimed at improving the regulation of door staff at licensed premises.

2.0 Background

2.1 The requirement for licensed premises to have door staff is an individual requirement on a Premises Licence and is not a mandatory condition. Normally the request for door staff will be initiated by the Police based on the nature of the premises and the risk that the operation poses to crime and disorder.

2.2 The licence condition will normally state the numbers of door staff required and the days and times which it must provide. There is a mandatory condition applied to every licence which states that all door staff used must be door staff licensed by the Security Industry Authority.

2.3 The Security Industry Authority is the organisation responsible for regulating the private security industry. They are an independent body reporting to the Home Secretary, under the terms of the Private Security Industry Act 2001. The remit covers the United Kingdom.

2.4 The SIA have two main duties. One is the compulsory licensing of individuals undertaking designated activities within the private security industry; the other is to manage the voluntary Approved Contractor Scheme, which measures private security suppliers against independently assessed criteria.

2.5 All door staff are required to hold a licence from the SIA. Currently a licence costs £210 for a three year licence.

2.6 Applicants for a door supervisor's license have to meet certain criteria before they are granted a licence, these include:

- Criminal records check
- Holding a recognised qualification in door supervision
- Applicants must be over 18
- Have the right to work in the UK

2.7 SIA licences are issued subject to certain conditions. Holders of a licence must:

- wear the licence where it can be seen at all times when engaging in designated licensable activity (unless the Licence Holder has reported the licence lost or stolen, or the SIA has the licence)
- tell the SIA and the police if their licence is lost or stolen

- tell the SIA of any convictions, cautions or warnings, or charges for relevant offences. This applies whether committed in the UK or another country
- tell the SIA of any changes to name or address
- not deface or change the licence in any way. If a licence is damaged, the Licence Holder should tell the SIA and ask for a replacement
- not wear a licence that has been defaced or altered in any way
- show their licence if a Police Officer or other person authorised by the SIA asks to inspect it
- return the licence to the SIA if they are asked to do so
- tell the SIA of any change to the licence holder's right to remain or work in the UK.

2.8 The SIA are the main enforcement authority for the regulation of door supervisors. However, they do recognise that local authority licensing staff have an important role to play and it is possible for local authority staff to be authorised by the SIA to enforce the law with regard to door supervisors.

2.9 Newark & Sherwood has taken this opportunity and as result the two Licence Enforcement Officers employed by the Council are authorised by the SIA to undertake licence checks of door supervisors in Newark & Sherwood.

2.10 The role of the door supervisor is an important one, as at many venues they are the first point of contact for patrons. The attitude and behaviour of door staff can set the tone for the whole of the visitor experience. Good door staff diffuse rather than inflame situations and provide a calming approach to difficult situations.

3.0 Proposals

3.1 The number of venues in the Newark & Sherwood area that has a requirement for door staff is small when compared to some other towns. However, there are occasional reports of poor behaviour by door staff on duty in Newark.

3.2 In order to build a better relationship between the door staff and the Council it is proposed to hold an annual meeting with door staff operating in Newark (and their employing organisation) to set out the approach that Newark & Sherwood expect from the door staff. This would have some elements of enforcement but would take a wider approach and would include elements relating to safeguarding of vulnerable people and the wider promotion of the night time economy.

4.0 RECOMMENDATION

That an annual meeting with door supervisors be organised in the summer of 2020.

LICENSING COMMITTEE

12 MARCH 2020 (14 NOVEMBER 2019)

TEMPORARY EVENT NOTICES RECEIVED AND ACKNOWLEDGED BETWEEN 1 JULY TO 30 SEPTEMBER 2019

1.0 Purpose of Report

1.1 To inform Members of changes to Temporary Event Notices and notices that have been received and acknowledged between 1 July and 30 September 2019 inclusive.

2.0 Background

2.1 The Licensing Act 2003 introduced a light touch system for ad hoc, permitted temporary activities. A Temporary Event Notice (TEN) is given by an individual (a premise user) and authorises the premises user to conduct one or more licensable activities at premises.

2.2 There are two types of TEN;

- A standard TEN, to be given no later than 10 working days before the event to which it relates
- A late TEN, can be given 9 and not later than 5 working days before the event. Late TENs are intended to be used by premise user who is required for reasons outside their control to for example, change the venue at short notice.

2.3 Only the Police and Environmental Health can make representation against the TEN. Once the Police and Environmental Health receive a TEN, they have 3 working days to make any objections to it on the grounds of any of the four licensing objectives: prevention of crime and disorder, prevention of public nuisance, public safety and the protection of children from harm. If no objections are received the event will go ahead as planned. If an objection is received for a standard TEN the Council will have to organise a hearing to consider the objection and may impose conditions or decide that the event cannot go ahead. If an objection is received against a late TEN, no hearing is held and the application is refused.

3.0 Attachments

3.1 A detailed list of Temporary Event Notices is attached at **Appendix A**.

4.0 RECOMMENDATION

That the report be noted.

LICENSING COMMITTEE

12 MARCH 2020

TEMPORARY EVENT NOTICES RECEIVED AND ACKNOWLEDGED BETWEEN 1 OCTOBER TO 31 DECEMBER 2019

1.0 Purpose of Report

1.1 To inform Members of changes to Temporary Event Notices and notices that have been received and acknowledged between 1 October and 31 December 2019 inclusive.

2.0 Background

2.1 The Licensing Act 2003 introduced a light touch system for ad hoc, permitted temporary activities. A Temporary Event Notice (TEN) is given by an individual (a premise user) and authorises the premises user to conduct one or more licensable activities at premises.

2.2 There are two types of TEN;

- A standard TEN, to be given no later than 10 working days before the event to which it relates
- A late TEN, can be given 9 and not later than 5 working days before the event. Late TENs are intended to be used by premise user who is required for reasons outside their control to for example, change the venue at short notice.

2.3 Only the Police and Environmental Health can make representation against the TEN. Once the Police and Environmental Health receive a TEN, they have 3 working days to make any objections to it on the grounds of any of the four licensing objectives: prevention of crime and disorder, prevention of public nuisance, public safety and the protection of children from harm. If no objections are received the event will go ahead as planned. If an objection is received for a standard TEN the Council will have to organise a hearing to consider the objection and may impose conditions or decide that the event cannot go ahead. If an objection is received against a late TEN, no hearing is held and the application is refused.

3.1 A detailed list of Temporary Event Notices is attached at **Appendix A**.

4.0 RECOMMENDATION

That the report be noted.

LICENSING COMMITTEE

12 MARCH 2020

NEWARK & SHERWOOD DISTRICT COUNCIL
LICENSING SUB-COMMITTEE

RECORD OF HEARING HELD ON
10 OCTOBER 2019
14:00 HOURS
ROOMS F2 and F3, CASTLE HOUSE

HEARING TO CONSIDER AN APPLICATION TO VARY A
PREMISES LICENCE

MCCARROLLS BARBERS, 32 KING STREET, SOUTHWELL, NG25 0EN

SUB – COMMITTEE: Councillor Mrs R. Crowe (Chairman)
Councillor L. Brazier
Councillor Ms R. White

ALSO IN ATTENDANCE: Caroline O’Hare (Senior Legal Advisor - NSDC)
Nicola Kellas (Licensing Officer - NSDC)
Alan Batty (Business Manager – Public Protection - NSDC)
Anna Meacham (Licensing Support Officer - NSDC)

Applicant: Paul McCarroll
Representors: Rachel Thackery and Guest
Councillor Penny Rainbow
Brian Beddows (EHO – NSDC)

APOLOGIES: Richard Marshall (Planning Officer – Enforcement)

Prior to the commencement of the Hearing, the Panel’s Legal Advisor advised all parties present of the key considerations for determining the application to vary the premises licence. She acknowledged the already agreed additional condition between the applicant and the Police and reminded those present that any decision must be based on the four licensing objectives, highlighting that the key one for this hearing was the Prevention of Public Nuisance. She advised that any decision must be justified and proportionate to the application and any applied condition must be reasonable.

Presentation by Licensing Officer

The Licensing Officer presented to the Panel details of the reason for the Hearing which sought Members’ consideration for a variation to a premises licence to extend the current opening hours on a Friday and Saturday. The report before the Panel presented Members with the background information in relation to the licensing history, including complaints received concerning excessive noise from both inside and outside the premises from music and customers. Representations had been received in relation to the application and were contained within the report.

The report set out the legislation in relation to the powers that licensing authorities had to vary the premises licence, the options available to the Panel and the relevant policies and guidance.

Presentation by the Applicant

Mr. McCarroll was in attendance and addressed the Panel. He stated that the reason for his application to vary the licence was in order to afford him flexibility on Friday and Saturday evenings on what time he closed his premises. He added that often the premises did not get customers in until 8pm and that he applied for extension to the current termination hour of 9.30pm act as a buffer to make the business financially viable. He added that, if granted, it was not his intention to use the extended hours every Friday and Saturday.

Questions to the Applicant

Ms Thackray sought assurances from Mr. McCarroll as to what assurances he could provide that he would not use the extended hours, if granted. She added that subsequent to the last variation granted, Mr. McCarroll had not adhered to the conditions placed on the premises licence and that this had impacted on her home life due to noise nuisance.

Mr. McCarroll advised that the Environmental Health Officer would be leaving some noise monitoring equipment at the premises so that an appropriate volume level could be set. He added that he had not been aware that the noise levels in Ms Thackray's home were as loud as they were and would be willing to accept a condition requiring that the door must remain closed. He further added that he would keep music volume levels to a minimum until the levels were set.

In relation to the noise from customers outside the premises, Mr. McCarroll stated that it was his understanding that he could not stop them from going outside to smoke a cigarette, adding that he did not allow them to take alcohol. He stated that this was monitored and stopped if a customer attempted to take their drink with them. He also stated that customers were asked to keep the level of noise down if they did go outside for a cigarette but at present there were no notices to that effect but that he would be willing to post them if required to do so.

In noting that Mr. McCarroll had agreed to a condition to keep the door closed, the Environmental Health Officer noted that there was also a door at the rear of the premises. He queried whether it was possible to limit the number of customer congregating outside the premises with appropriate signage being posted to that effect. In response to how he could limit the numbers, the Legal Advisor informed Mr. McCarroll that the immediate vicinity and customers outside his premises was his responsibility. Mr. McCarroll stated that it was his wish that customers used the rear of the premises to smoke but that Ms Thackray was against that due to potential further noise nuisance. He acknowledged that the rear of the premises would only accommodate 4-5 persons and that its use would be monitored.

Mr. McCarroll advised that generally there were only a few people outside the premises at any one time but on occasion there had been as many as 9. He added that his clientele were generally older and not rowdy.

The Licensing Officer advised that the current licence only covered Mr. McCarroll for onsales and therefore any taking of alcohol outside was a breach of his licence. She queried whether Mr. McCarroll would consider agreeing to limit the number of time he used his extended hours, if granted. Mr. McCarroll stated that he was not willing to do that at present.

A Member of the Panel queried whether, when the premise was being operated as a barbers, children were present when alcohol was served. Mr. McCarroll advised he was licensed to serve alcohol during the day but that none of his customers bought it.

The Chairman of the Panel noted that should Mr. McCarroll advertise the extension of the licensed hours his customers would be aware and possibly bring pressure to bear for him to frequently remain open. Mr. McCarroll reiterated that he was not willing to limit usage of the extended hours but that it was not his intention to frequently use them.

The Panel's Legal Advisor queried as to what Mr. McCarroll would base his decision on as to whether to remain open for longer hours or not. Mr. McCarroll advised that he would not advertise the hours and that the decision would be made on the night by himself and his wife who worked at the premises with him.

In response to whether he would consider employing staff to operate the bar, Mr. McCarroll advised that the work was only undertaken by himself and his wife.

In relation to whether the bar served regular customers or passing trade, Mr. McCarroll stated that customers were mostly regulars but that it was unpredictable as to what time they would arrive.

Presentation by Representatives

Councillor Mrs Rainbow

Councillor Mrs Rainbow was in attendance and addressed the Panel. She explained that she had continued to receive complaints since the last variation had been granted in relation to noise and nuisance from the premises with the overriding complaint being of noise nuisance from loud music. Other complaints involved the congregation of customers outside the premises whilst smoking.

Councillor Rainbow acknowledged that whilst people had chosen to live in a town centre area it was of mixed use between commercial and residential and that there must be a mutual respect of each other. She noted that a noise abatement notice had been served on the premises by Environmental Health and requested that, if granted, that usage of the extension to the hours be deferred until noise abatement works had been carried out.

Rachel Thackray

Ms Thackray stated that since the premises had opened her home was no longer a quiet haven. She endured persistent noise from music with bass levels being of particular concern and that Mr. McCarroll had found this difficult to accept. The EHO had advised that the levels of noise were due to the street topography of the area and led to a reverberation of sound with weekends being particularly unpleasant.

Ms Thackray advised that the summer months had been bad and had led to her not being able to go to bed when she wanted, having a negative impact on her home life to the extent where she had considered selling her home. She noted that there were steps which could be put in place to mitigate the noise levels and had reluctantly invited Mr. McCarroll into her home to listen for himself with Mr. McCarroll admitting that the noise from the music playing in his premises was audible. Ms Thackray added that together with the noise from customers drinking on the street it was intolerable.

Ms Thackray noted that there was no valid planning permission for the premises to operate as a bar, yet it was and what was there to stop other premises taking the same course of action.

In noting that a Noise Abatement Notice had been served on Mr. McCarroll, Ms Thackray advised that she would like to know more about the consequences of that notice.

Brian Beddows – Environment Health Officer

Mr. Beddows advised the Panel of his relevant qualification in relation to noise nuisance and management thereof and those of his colleague who had been dealing with complaints about the premises. He provided the Panel with a chronological history of the complaints received and the actions taken therefrom and that sound levels taken in September had determined that there had been a statutory nuisance which resulted in a Notice being hand delivered to the premises on 7 October 2019.

Mr. Beddows advised that due to the nature of the barbers business the shop had little in the way of materials that could absorb sound or act as a buffer. He reiterated Ms Thackray's previous comments that the noise reverberated from buildings opposite rather than travelling through the fabric of the buildings and that Mr. McCarroll had acknowledged that when Ms Thackray had invited him into her property and the noise from the music being played was clearly audible. He noted that there were no set levels of noise when the statutory nuisance had occurred and that it was possibly due to the type of music being played as the human ear was more susceptible to certain types of frequencies. If acceptable levels were to be set this would have to be undertaken with the agreement of both parties.

Questions to the Representors

A Member of the Panel queried whether Ms Thackray had been aware of the Temporary Event Notices that Mr. McCarroll had applied for. Ms Thackray stated that Mr. McCarroll had not made her aware and that she had been advised to look on the Council's website by the Licensing Team.

Summaries

Councillor Mrs Rainbow again requested that, if granted, that usage of the extension to the hours be deferred until noise abatement works had been carried out.

Ms Thackray sought to emphasize the amount of stress the current situation was causing and asked the Panel to take into consideration the views of residents together with what, if any, conditions could be put in place in an attempt to resolve the situation. She also queried whether it was possible to restrict any further variations or the use of Temporary Events Notices. Ms Thackray's preferred outcome would be for the Panel to refuse the application to vary the premises licence.

Mr. Beddows noted that the Council had served a Noise Abatement Notice and emphasised the seriousness of that course of action. He added that it should stop any further nuisance but, if not, the consequences could lead to a prosecution with a fine being levied and/or the seizure of equipment used in the premises. Any decision on those would be taken in court proceedings. Mr. Beddows advised that Mr. McCarroll had agreed to work with EHOs to set agreed noise levels but that in the interim he was permitted to play motown music as there was no bass element to that. Mr. Beddows asked the Panel to consider the imposition of conditions requiring doors and windows to remain closed and whether a limit on the number of customers that could congregate outside could be imposed and that no drinks would be allowed, with such signage being posted to that effect.

Mr. McCarroll stated that he had been operating the bar element of the premises for 12 months and during that time he had never had caused to call the Police to his premises adding that he wanted to work with Ms Thackray to resolve the issues. Mr. McCarroll stated that he wanted to work with the EHOs to set an acceptable level of sound, noting that dance music appeared to be problematic due to the bass element.

Decision

Panel's Decision:

Having considered all of the above in detail and based on the findings set out below; the Panel's decision was that:

1. The application be refused save for an amendment to Appendix 2 to add the condition agreed between the Applicant and the Police. This being:

“all scissors and other tools used in the cutting of hair to be stored away in locked storage from 8pm”

2. The Panel determined that based on the evidence from the Objectors and the evidence from the Applicant, that varying the licence as proposed by the Applicant would not promote the Licensing Objectives.

The meeting closed at 3.51pm
