93 CHAIRMAN'S REPORT

The Chairman reported on an item relevant to meeting in January and therefore appropriate to update on flood resilience grants. The administration of the property flood resilience grants began in June 2020 and provides up to £5,000 per property to ensure that it is more resilient to flooding in the future. To date, the Council has processed and approved 39 applications. Of these, 11 applicants have now completed the works and the grant has been paid. Lowdham is the main area from where the applications are being received but grants from Girton, Egmanton, Laxton and Weston have also been submitted.

The Chairman then highlighted the continued challenges around coronavirus and lockdown, continuing to support residents in need: HART completed a further 25 CEV welfare checks throughout December ensuring support in place to access essential supplies. Also assisted with the distribution of 60 Christmas gifts to those in need, collected by a resident of Sutton on Trent. Having strengthened the Community Relations Team by recruiting two additional colleagues to progress objectives in the Community Plan and deliver on the HART response across the District.

Despite Covid, teams continue to provide services to tenants and residents across a number of areas – currently operating an “emergency plus” services on repairs and investment delivery to protect our trades teams and our tenants as much as we can by focusing our service on emergency repairs and essential planned works and external jobs that can be completed in a safe way.

The Chairman went on to highlight the progression of research with tenants to understand their satisfaction with our services to form the basis of our Tenant Participation and Engagement Review and using tenant feedback. Updating the lettable standard of our homes with a proposal coming to the next Homes and Communities Committee. This will enable reinvestment to some of the savings that have been created bringing the housing service in house and noting services our tenants want us to improve. Preparations are being made for bringing the grounds maintenance of our rented homes into the Council and working with tenants to agree how we will monitor the quality of this service.

The Chairman went on to inform the Committee, how it is vitally important we understand our responsibilities – particularly around the regulatory framework of housing. To this end, a paper will go to the next Committee to talk through the themes of the White Paper. The Chairman then invited the Committee members to

suggest topics for “bitesize workshops” where officers would talk about different aspects of the Directorate – to widen the Committee’s knowledge and help be a good landlord that puts tenants at the centre of our services.

The Housing Advisory Group had agreed the current process was too long winded but that it was important to keep a tenant perspective on complaints. The group requested a programme of communications to tenants to ensure all are aware of how to make a complaint, how to provide feedback and the process involved.

To incorporate within this move an alternative provision for tenants (previously a quarterly printed publication provided by the council's former housing management provider, Newark and Sherwood Homes).

The proposal was to not return to a primary printed publication (either for residents or for tenants) but replace this with an e-newsletter format that will be equally useable for both purposes, as well as a range of additional functionality.

communication channel.
