The Panel's Senior Legal Advisor stated that on Friday, 20 November 2020 the Police had submitted a S14(3) - Application for the Hearing to be closed to the general public due to the ongoing Police investigations into a number of incidents. The Licensing Agent, acting for Madisons had been consulted and agreed to the hearing being closed.

Prior to the commencement of the Hearing, the Panel's Legal Advisor advised all parties of the key considerations for determining the application to grant the premises licence. She reminded those present that any decision must promote the four licensing objectives. She advised that any decision must be justified and proportionate to the full circumstances relevant to the application and any applied conditions, should the licence be granted, must be reasonable.

### **Decision**

(Summary provided in accordance with Section 100C(2) of the Local Government Act 1972).
