1.0 Purpose of Report

1.1 This report compares the Revised Budgets for the period ending 31 March 2022 with the Projected Outturn forecast for the period, based on meetings with Financial Services staff and the appropriate Business Manager. These are based on four months' performance information on the Council's revenue and capital budgets, including:-

- General Fund (GF) Revenue
- Housing Revenue Account (HRA)
- Capital Programme

1.2 It was requested by Members at the Policy & Finance Committee during February 2020 that reports were presented to individual Committees, for noting, for them to understand the financial position of their Committee.

2.0 Background Information

General Fund Performance

2.1 Attached is the Policy & Finance report to be tabled at Committee on 23 September which details the forecast financial position to 31 March 2022 of the Council as at 31 July 2021.

2.2 The current position for the Council is a favourable variance of £0.148m. This is prior to any return funding from the Nottinghamshire Business Rates Pool, for which S151 Officers across the County are working to review the position.

2.3 The forecast outturn position for the Homes and Communities Committee is a favourable variance of £0.164m. The main reasons for this variance are in **Appendix A** of the attached Policy and Finance Committee report.

2.4 It should be noted that the projected outturn variances are still somewhat indicative, and that these will become more accurate in subsequent months, as officers continue to refine budgets and forecasts in light of the latest information available.

HRA Performance

2.5 The current forecast position for the HRA is a favourable variance of £0.778m. The table at paragraph 3.11 identifies the reasons for the variance. Paragraphs 3.11 through to 3.17 give further details regarding the HRA forecast performance, including the current level of efficiencies generated through the re-integration of the housing service.
