**Section 18 of 21**

**LICENSING OBJECTIVES**

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Personal License holder will be present on site, whilst any licensable activities are taking place. A designated premises supervisor will be nominated. All staff will be provided with training in relation to the licensing objectives that are commensurate with their employment. sufficient number of staff on the premises to cover event numbers.

b) The prevention of crime and disorder

A CCTV system shall be maintained at the premises with cameras. Recordings shall be made of images from the cameras whilst a licensable activity is taking place and shall be retained for a period of at least 30 days from the date of recording. A member of staff shall be trained on how to provide copies to police officers, where a request is received that complies with the requirements of the Data Protection Act 2003 and any other legislation covering the disclosure of recorded material. A notice will be displayed at the entrance to the premises advising that C.C.T.V. is in operation. We have capacity limits for each room to prevent overcrowding which could lead to crime and disorder. The capacity limit is based on advice from our Fire risk assessment (Dome = 600, Marquee = 460, Carriage Court = 200, Training Room = 60, Lady Chapel = 70, Billiards Room = 60, Library = 200, Drawing Room = 200, Music Room = 200, Dinning Room = 200). We are looking to become a member of Pubwatch and a representative will attend Pubwatch meetings and participates in all initiatives.

c) Public safety

We have conducted a suitable Fire Risk Assessment at the premises and implemented the necessary control measures. All exit doors are easily operable without the use of a key, card, code or similar means. Exit doors are regularly checked to ensure they function satisfactorily. Records of all these checks are kept and can be produced on request. All fire doors are maintained unobstructed and effectively self-closing and will not be held open other than with approved devices. Hangings, curtains and temporary decorations are maintained in a flame retardant condition. Upholstered seating is fire retardant and complies with current fire safety regulations. Curtains, hangings and temporary decorations are located so as not to obstruct exits, fire safety signs or fire-fighting equipment. Fire drill and emergency lighting tests are conducted weekly / monthly. Records of these tests are available upon request. An evacuation policy is in place that is to the satisfaction of the Fire Authority. All staff members have been trained in fire and emergency evacuation procedures. Exit doors open outwards or are secured in the open position if this is not the case. Adequate and appropriate First Aid equipment and materials are available on the premises. At least one suitable trained First Aider will be on duty when the public are present. If more than one First Aider is present, their respective duties will be clearly defined. In the absence of adequate daylight suitable and sufficient artificial lighting is provided and maintained in any area accessible to the public. Fire safety signs are adequately illuminated. Emergency lighting is installed and regularly maintained. Emergency lighting batteries are fully charged before the admission of the public. Emergency lighting tests are conducted monthly. Records of these tests are available upon request. The premises have either a current and satisfactory National Inspection Council (for) Electrical Installation Contracting (N.I.C.E.I.C.) or Electrical Contractors Association (E.C.A.) periodic electrical installation report. The premises have current and suitable Public Liability Insurance. The premises have current certificates of inspection for all portable fire fighting equipment. The premises have a current certificate of inspection for the fire detection alarm.

d) The prevention of public nuisance

Doors and windows will be kept closed when regulated entertainment is taking place. Prominent, clear and legible notices are displayed at all exits requesting patrons to respect the needs of local residents and to leave the premises and the area quietly. All ventilation and extract systems are designed and maintained so as to prevent noxious smells causing a nuisance to nearby properties. Refuse receptacles are cleaned with disinfectant at least 6 monthly. Flashing / bright / flood lights

*Continued from previous page...*

used outside the premises and any security or access lighting installed will not be operated so as to cause a nuisance to nearby occupiers. All external lighting, including floodlighting, is directed away from adjacent occupiers. Litter bins are placed outside the premises for customers to use and are emptied at least daily. The premises has a waste collection contract to remove waste. Any customers that present as being drunk will be refused service of any further alcohol and offered water and the option of having a taxi called on their behalf. A record of all such refusal will be kept on each bar. An incident log will also be kept along with CCTV should information be sought from a duly authorised person.

e) The protection of children from harm

A Challenge 21 scheme will be adopted in compliance with the age verification condition: Customers who appear to be under 21 years of age will be required to prove their age when purchasing alcohol. Suitable forms of identification will be a passport, 'Pass' card or other photo identification recognized by the licensing authority in its statement of licensing policy. **Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

*Continued from previous page...*

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
