HRA - £(0.194)m	£'m
Reduced income from rents and service charges. The main reasons include: - an increased average period of time that dwellings are remaining vacant (void); and - meals no longer being compulsory for tenants to purchase at extra care scheme sites (Broadleaves and Gladstone House).	0.234
Increased costs of supplies and services on responsive repairs. The main reasons include increases in: - the use of contractors to deliver repairs due to employee vacancies; and - the costs of materials required for repairs and the range of repairs being performed; partly offset by - the service not currently expecting to use of all the additional efficiency savings budget it has been allocated.	0.100
Increased income from solar photovoltaic (PV) panels, due to warmer than expected weather and a lower than anticipated number of faulty meters.	(0.074)
Increased spend on supplies and services related to compliance services. The main reason relates to additional spend on the installation of smoke and Carbon Monoxide (CO) detectors, in order to become compliant with changes in regulations which recently come into effect.	0.062
Other small variances	(0.128)
