Report Summary	
Report Title	Temporary Event Notices Received and Acknowledged between 1 October and 31 December 2022.
Reason for Report	To provide Members with information as to Temporary Event Notices.
Recommendations	That the report be noted.
Purpose of Report	To inform Members of types of Temporary Event Notices and Notices that have been received and acknowledged between 1 October and 31 December 2022.

1.0 Background

1.1 The Licensing Act 2003 introduced a light touch system for ad hoc, permitted temporary activities. A Temporary Event Notice (TEN) is given by an individual (a premise user) and authorises the premises user to conduct one or more licensable activities at premises.

1.2 There are two types of TEN;

- A standard TEN, to be given no later than 10 working days before the event to which it relates
- A late TEN, can be given 9 and not later than 5 working days before the event. Late TENs are intended to be used by premise user who is required for reasons outside their control to for example, change the venue at short notice.

1.3 Only the Police and Environmental Health can make representation against the TEN. Once the Police and Environmental Health receive a TEN, they have 3 working days to make any objections to it on the grounds of any of the four licensing objectives: prevention of crime and disorder, prevention of public nuisance, public safety and the protection of children from harm. If no objections are received the event will go ahead as planned. If an objection is received for a standard TEN the Council will have to organise a hearing to consider the objection and may impose conditions or decide that the event cannot go ahead. If an objection is received against a late TEN, no hearing is held and the application is refused.

1.4 A detailed list of Temporary Event Notices is attached at **Appendix A**.
