1.0 Background

We continue to deliver an approach to performance management that is used to drive improvement rather than simply used as a counting device. We are doing this by analysing data and progress against key activities as well as building a picture of the context of performance using district statistics, customer feedback and workforce information.

The development of this report details the quarter 3 performance and includes activities delivered within the quarter. This information was factually correct as of the 31 December 2023.
