Hi I am sending an objection regarding the application for a late licence till 1-30am for the Bridge Inn OXTON.

I live in School gardens and am a 71 year old lady who has undergone brain surgery. When there is music in the pub it is like I am sitting there next to it, as the sound travels across to my bungalow directly. It was bad enough last summer when they had venues on until 11. To have a licence until 1-30 would have a really bad effect on my home life. Yes it is a lovely pub but to have weddings etc and the option of being open to 1-30 would be horrendous for me as a close neighbour. Apart from that it's the parking the banging car doors. Parking on the pavements so you can hardly walk on the path.

I hope you please take into consideration the effect this would have on those of us that live near to this public house
