Subject: Ye Olde Bridge Inn. Licence premise application

This is an external email. Please be careful and do not click any links or open attachments unless you are sure they are safe.

Hello there.

I would like to propose the following conditions which, if the licence is granted would become legally binding conditions to be adhered to and placed upon such a licence. The majority of these are already alluded to in the application operating schedule, just reworded for standardisation purposes within Police/ Local Council areas.

Please note that Newark and Sherwood District Council may also request conditions under their control.

It does mention a 'paginated book' on conditions 3 and 4. This can be a diary, or a bound reference book with numbered pages.

1: A CCTV system shall be installed and operative in the premises when licensable activities are taking place.

All recordings used in conjunction with CCTV shall:

- be of evidential quality
- indicate the correct time and date
- be retained for a period of 28 days
- Cover the point of sale, and entry and exits, toilets as a minimum
- At least one person trained and authorised to access the CCTV system shall be present during opening hours. They shall be able to perform basic operations such as reviewing and downloading recordings to removable media if required for Police or other authorised officers.

Recordings to be made available for inspection to the Police or any other authorised person when requested.

2: All staff engaged or to be engaged in the sale of alcohol on the premises shall receive the following training in age restricted sales:

- Induction training which must be completed and documented prior to the sale of alcohol by the staff member.
- Refresher/reinforcement training at intervals of no more than 6 months.
- Training records will be retained at the premises for a minimum period of 12 months and available for inspection upon request by a Police Officer and/or authorised person.

3: A bound and sequentially paginated incident book or electronic record shall be kept to record all instances of disorder, damage to property and personal injury at the premises. This book shall

be made available for inspection and copying by the Police or any other authorised person upon request and all such books shall be retained at the premises for at least 12 months.

4: A bound and sequentially paginated refusals book or electronic record shall be kept at the premises to record all instances where admission or service is refused.

Such records shall show:

- The basis for the refusal;
- The person making the decision to refuse; and
- The date and time of the refusal.

Such records shall be retained at the Premises for at least 12 months, and shall be made available for inspection and copying by the Police or any other authorised person upon request.

5: Challenge 25 scheme shall operate at the premises. Any person who appears to be under 25 years of age shall not be allowed to purchase alcohol unless they produce an acceptable form of photo identification. (e.g. passport, driving licence, Military ID or PASS accredited card).

6: Challenge 25 notices shall be displayed in prominent positions throughout the site.

Please take time to consider these conditions, if you wish to discuss this with me further please contact me using the details below. I am more than happy to go through these conditions with you.

If you agree to the conditions above, please reply to this email trail and add the following - **"I accept this email as agreement of proposed conditions and for the operating schedule to be amended, and agree not to have a hearing"**.

I will then inform the Licensing Authority at Newark & Sherwood District council of our agreement and that we do not wish to make an objection to the granting of the licence.

Many thanks

Kind regards

Steve Carr
