1.0 Background

- 1.1 The Policy & Performance Improvement Committee's (PPIC) role is to fulfil the 'scrutiny' function required in the Cabinet model, as well as serving as an integral role in improving the work of the Council. It is an open meeting, meaning public and press can attend and the Committee meets at least five times a year.
- 1.2 Since June 2023 there have been 6 committee meetings and 2 working groups. PPIC have been involved in developing and shaping Council policies and strategies, questioning the Council's performance and driving improvement to services. During the year PPIC received information in the form of presentations, updates and reports.
- 1.3 Every year there is an Annual Report summarising the work of the Committee. This will be the second Annual Report of the PPI Committee since the introduction of the Cabinet system and sets out a review of the work, carried out and completed by the committee during 2023/24 (June 2023 to March 2024).
