Q2) Please select your gender.

Q3) Please select your age group.

Q4)To what extent do you agree or disagree with the below statements on walking, wheeling and cycling.

Q5) When thinking about Active Travel (being able to travel by walking, wheeling and/or cycling), to what extent do you agree or disagree with the below statements.

Q6) Which of these would apply to your aspirations to travel to local services and facilities by walking, wheeling and cycling, within your local area. Please select all examples that apply to you including those you already participate in.

Q6) Other comments placed into common categories.

Category	Responses
Quality of the roads/cycle infrastructure/paths	11
To visit local facilities/other cities/towns	8
Leisure	8
Health	6
Public transport and horse travel	6
N/A	6
Distance	4
Lack of suitable cycle/walking routes/secure cycle parking	4
Total	53

Q7) Are there any other reasons why you would want to travel more by walking, wheeling or cycling? Please select all examples that apply to you.

Q7) Other comments placed into common categories.

Categories	Responses
Social/family/nature/hobby	9
Health/independence/mobility	5
N/A	5
Environmental	4
Public transport and horses	3
Unable to drive/access car	2
Quality of the roads/cycle infrastructure/paths	2
Total	30

Q8) Please rate your satisfaction with each of the following when walking, wheeling and/or cycling in your local area. Please think of your local area as within 15 minutes of where you live.

Q10) Do you have a child/children.

Question 12) Does your child/children own a bike?

Question 13) If your child/ children does not own a bike, please tell us why.

Q14-Please rate your satisfaction with each of the following. Please note, walking/wheeling and cycling have been separated out in this question to better understand specific barriers.

Question 16) Do you have any further comments on walking, wheeling and cycling in Newark and Sherwood? The more information you can provide, the better

- Largely repetition of comments already submitted for previous questions
- New comments which did emerge from this question include:
 - Anti-social behaviour concerns
 - Members of the public who do not support active travel and do not want to see further investment made
