Hello licensing team

I approve of the amends suggested, but note...

2.1.5 There are 65,400 people on employment which is 77.5 % of the population. The average wage is £540 per week. The national average is £571

Might read better:

2.1.5 There are 65,400 people in employment which is 77.5 % of the population. The average wage is £540 per week. The national average is £571.

Your call... kind regards, Karen
