Hi Narelle

Please see comments below for the above application from Newark Town Council's Planning meeting held on the 25th September, 2024:-

'Newark Town Council supports the Night Club and regards it as an important asset in the town's night time economy.

Having reviewed the application, Newark Town Council cannot support revocation of the licence or the proposed significant reductions in the licensing hours of the venue. NTC does however, encourage the licensing department / committee to give careful consideration to options numbered 3,4 and 5 in the application. Option 6 is considered by NTC to be a very positive step to be explored. NTC is keen to encourage the licensing department/ committee to ensure that any changes to the licence do not seriously compromise the viability of the Night Club'.

Kind regards
