We the undersigned family residing at [redacted] wish to put forward an objection to the continued use of the Corn Exchange, by Club X as a night club.

My family live in a neighbouring building to the corn exchange and have suffered continual disruption and nuisance from the noise and customers of the Club X both inside and outside the building since it first re opened. Our family are not able to go about our normal family life on the evenings the club is open and the behaviour from the attendees can be quite terrifying, we have suffered damage to our building and violence outside which is deeply disturbing especially with a baby and a Great Grandmother living in the house.

We wish to make an objection to the continued use of this building as a night club.

Yours sincerely
