

PLANNING COMMITTEE 7 May 2026

Schedule of Communication Received after Printing of Agenda

Item	Correspondent	Date	Points Raised (Summary)	Officer's Response
6 - 22/01983/FUL M – Land at Foxholes Farm	Public comment: Objection	03/05/2026	Commentor raises concerns due to the disruption to surrounding roads and landscape during construction. Concerns regarding access, width of lanes and level crossing are raised. Concerns focus on impacts of traffic and impacts on other road users like pedestrians, cyclists and horse riders. Further concerns include the cable route, lack of a glint and glare assessment, flooding and ecological/environmental impacts including heritage value of landscape and impact on ecology.	These matters are reviewed and understood, and have been assessed as part of the Committee Report.
6 - 22/01983/FUL M – Land at Foxholes Farm	Public comment: Objection	05/05/2026	Commentor states disbelief at the report and number of objectors, states there is no support for the scheme and there will be damage caused by the proposal.	The concerns have been read and are acknowledged. The public comments received to date, both those objecting and supporting, have been reviewed and summarised in the report, and considered within the assessment.
