OFFICIAL

Good afternoon [REDACTED],

Thank you for forwarding this further information associated with the representation from Darren Tivey. The consultation date ends on **9 May 2026** so this extra detail can still be added.

Kind regards

[REDACTED]

OFFICIAL

Please can the following email be passed to Phil Bowen (Licensing)

Hi Phil

Further to our conversation regarding the Locke and Keye.

My ward member, who has already submitted the objection via the appropriate form, delivered by hand to NSDC. I would like to express my concerns.

I received a further email from Darren Tivey; he was unable to add the following to the completed

form.

*"Many thanks for our conversation yesterday. Please acknowledge that I have input the statutory form to the NSDC licensing dept regarding the proposed extension of the alcohol and music license at the Locke and Key, Middle Gate, Newark. I'd like to bring to your attention a couple of points that I omitted to include as space was somewhat limited on the form.*

*I have previously had to submit an official notice complaint to the police on Sunday 1st February due to late night, excessive noise coming from a party at the premises. The reference number with Nottinghamshire Police is CR0051\_01022026. I have also spoken to the manager of the establishment on a couple of occasions to discuss music volume levels. Both our properties are within a conservation area and are both single glazed making them unsuitable to contain high volume music. Perhaps you could pass these concerns to the relevant department as a health and safety issue and potentially look at assessing noise levels from the Locke and Key that are preventing me from living in my home in comfort. There are also tables and chairs outside in Boar Lane which are used by customers which could be an issue if the extension to the alcohol licensing hours is granted"*

As you can appreciate Phil, if the above is a true and correct it does raise my concern.

Kind regards
