Report Summary	
Report Title	Applications for Funding from the Gilstrap Charity
Purpose of Report	For the Board of Trustees to consider the application made to the Gilstrap Charity for grant funding.
Recommendations	That the Board of Trustees consider and determine the application received from the Assemble Church

1.0 Background

1.1 In 2017, the Trustee Board refreshed and approved a funding criteria for grant aid support from the Gilstrap Charity. The Charity's Scheme has been amended a number of times in recent years, firstly when Nottinghamshire County Council (NCC) built a library in Newark (thereby obviating the need for the original use of the Gilstrap Building as a library) and secondly when the Gilstrap building had been leased to NCC for use as the Registrar's office. However, whilst the objectives have been reviewed over the years, the original concept has been reaffirmed with emphasis on education and promoting knowledge of the history of Newark.

1.2 The current approved criteria are listed below:

- 2.1.1 Preference will be given to funding applications which promote education and understanding of historic buildings within Newark and the history of Newark generally to reflect the original Trust purposes.
- 2.1.2 Funding applications will be required to demonstrate a direct benefit to the community of Newark or a section/s of that community (eg projects involving local schools).
- 2.1.3 Applicants will be required to provide full details of any match funding or third-party funding.

1.3 It should be noted that the area of benefit for the Charity, whilst previously defined as the area of the former borough of Newark, was amended when the Scheme was last reviewed in 2013 to cover the parish of Newark.

- 1.4 A copy of the background information that is included on the Charity's website concerning how potential grant applications will be considered is attached to this report as **Appendix A**. Applicants are requested to complete a pro-forma application form that gives full details of their project, its objectives, budget and other funding secured.

They wish to make it a venue of choice for live music, theatre and performing arts events, especially for organisations based in Newark. Full details can be read in the supplementary information.
