

COUNCIL MEETING – 7 MARCH 2019

INVESTMENT STRATEGY 2019/20

1.0 Purpose of Report

- 1.1 This investment strategy is a new report for 2019/20, meeting the requirements of statutory guidance issued by Ministry of Housing, Communities and Local Government (MHCLG) Investment Guidance in January 2018.

2.0 Background Information

- 2.1 The definition of an investment covers all of the financial assets of the Council as well as other non-financial assets that the organisation holds primarily or partially to generate a profit; for example, investment property portfolios. This may therefore include investments that are not managed as part of normal treasury management processes or under treasury management delegations.

A loan is a written or oral agreement where a local authority temporarily transfers cash to a third party, joint venture, subsidiary or associate who promises to return it according to the terms of the agreement, normally with interest. This definition does not include a loan to another local authority, which is classified as a specified investment.

- 2.2 Statutory Requirements:

- The MHCLG Investment Guidance is issued by the Secretary of State under section 15(1)(a) of the Local Government Act 2003. Under that section local authorities are required to “have regard” to “such guidance as the Secretary of State may issue”.
- For each financial year, a local authority should prepare at least one Investment Strategy (“the Strategy”). The Strategy should contain the disclosures and reporting requirements specified in this guidance. The Strategy should be approved by the full council.

- 2.3 A copy of the Investment Strategy 2019/20 is attached as **Appendix A** to this report.

3.0 RECOMMENDATIONS that:

- (a) the Investment Strategy 2019/20 be approved; and**
- (b) the Investment Prudential Indicators and Limits be approved.**
