Active4Today Limited
Report of the Directors
for the Year Ended 31 March 2019

The directors present their report with the financial statements of the company for the year ended 31 March 2019.

Active4Today Ltd was launched on 1st June 2015, as an independent company registered with Companies House, with Newark and Sherwood District Council being the single shareholder.

Active4Today Limited and its business consists of three leisure centres, a sports development section and a headquarters, which collects and manages the finance of the Business, including the in-house direct debit finance, associated with their popular membership schemes. In addition to these services, Active4Today Ltd provides administrative support to the Southwell Leisure Centre Trust and operates additional dryside provision out of Newark Academy and Bishop Alexander LEAD Academy, through service level agreements. Until January 2019, it also provided a limited wetside operation, out of the Wellow House School.

The aim of the business is to focus on 3 distinct areas:

- Health and active lifestyles
- Accessible facilities
- Financial viability

REVIEW OF BUSINESS

To the end of 2018/19 the Company played host to 900,767 visitors, using its facilities and sports development service. In addition, it has a direct debit membership of 8,967 members, which consist of both adult and juniors.

The company's unique selling point (USP) is that of a fully accessible service, which is family friendly and offers a wide range of activities to attract users from all age groups and all socio-economic backgrounds. The work of the company, although complimentary, is split into three areas. The are:

- Leisure facilities
- Outreach work
- Club development

The year to 31st March 2019 was the third full trading year by the company which started trading in June 2015. The initial trading period was 10 months only. the surplus in year continues to represent a realistic commercial outcome for the business and it's not for profit status. Given the very hard year of trading, which the Company experiences during 2018/19 due to the loss of wetside provision from Dukeries Leisure Centre.

Throughout 2018/19, as with previous years, substantial repairs and renewals to the facilities have taken place, in order to ensure these facilities remain in very good condition, which meet the customer expectation. This is in line with Company's contractual arrangements with the Council and the requirements to ensure the facilities remain in a condition which is "fit for purpose" and reflects the Council's and Company's commitment to providing a quality experience, for its customers.

Reserves for the Company excluding the pension scheme remain in a good position and the Company continues to make provision to these annually, to achieve its desired position and one which supports the Company's financial sustainability. The company continues to receive the ongoing financial support of Newark and Sherwood District Council from an annual management fee.

FINANCIAL REVIEW

The trading results of the business show an operating profit for both the current and prior year.

Since June 2015 the company has taken on the liability of the defined benefit pension scheme and costs relating to the running of this scheme are now required to be recognised in both the profit and loss account and in the statement of other comprehensive income.

In the current year the total comprehensive income of the company showing the combined results of the trading activities and the pension scheme amounted to a deficit of £15,547 (2018: profit £94,552).

This comprises the trading results showing a profit of £22,453 (2018: £178,552) and movement on the pension liability which showed a deficit of £38,000 (2018: £84,000) in respect of the year to 31 March 2019.

The component parts of the pension scheme liability movement are illustrated in the table below which reconciles the trading results of the business to the total comprehensive income for the year.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2019 and of its deficit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The directors are responsible for the other information. The other information comprises the information in the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Directors has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Directors.

Report of the Independent Auditors to the Members of
Active4Today Limited

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities set out on page three, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.
