All of the above charges are inclusive of VAT.

Standard fees plus VAT must be paid on submission of the request for advice.

## **SERVICE STANDARDS AND SUBMISSION REQUIREMENTS**

### **Exemptions (Do I need Planning Permission Requests)**

Prospective applicants seeking advice as to whether planning permission is required for either a house extension or household development in a garden are required to complete an Exemption Form 1. Those seeking guidance for commercial proposals in terms of establishing whether planning permission is required should complete an Exemption Form 2. Both forms are available on our website [www.newark-sherwooddc.gov.uk/planning/pre-applicationadvice/](http://www.newark-sherwooddc.gov.uk/planning/pre-applicationadvice/) and at Castle House. This form sets out the information that is expected from prospective applicants in order for the request to be valid.

All Exemption requests will be responded to wherever possible within 21 days. You will receive acknowledgement of your request for the advice within 1 week of a valid request, unless you are informed otherwise. The Council will advise you if your request is invalid, explaining the reasons why and allowing you time to submit any missing information. Please note that in circumstances where any missing information is not received within 4 weeks of the original submission, the fee will be returned but £25 will be deducted for administration costs.

### **Pre Application Advice**

Prospective applicants seeking exemption or pre-application advice are required to complete either an 'Exemption' or a 'Request for Pre-application Advice' form which is available on our website [www.newark-sherwooddc.gov.uk/planning/pre-applicationadvice/](http://www.newark-sherwooddc.gov.uk/planning/pre-applicationadvice/) and at our reception at Castle House. This form sets out the information that is expected from prospective applicants in order for the request to be valid.

Within 1 week of receiving a request for pre-application advice, the service will contact you to confirm:

- that your request for advice has been received;
- that the fee, if submitted with the form, is correct or if a fee has not been submitted with the form, what the fee is;
- any additional information that is required before pre-application advice is offered; and the name of the planning case officer who will be providing the advice.

Where a fee has been submitted for advice without all other necessary information and the additional information is not received within 4 weeks of the original submission, the fee will be returned but £25 will be deducted for administration costs.

The target date for responding to a valid request will be 5 weeks, although this cannot always be guaranteed for more complex schemes.

The case officer will:

- Research the history of the site;
- Undertake an unaccompanied site visit (sometimes we may ask you or a representative to attend to gain access and to fact find);
- Consult with key statutory and non-statutory consultees where applicable;
- Identify and assess the prospective application against Council policies and standards;
- Arrange to attend a meeting with the prospective applicant (normally at the Council Offices) where applicable. Where specialist advice is requested at a meeting, the necessary officers will attend subject to availability.
- Provide a detailed written response in the context of the plans/information provided and meeting discussions which will include a list of supporting documents that would need to be submitted with any application to ensure that it is valid on receipt, a list of possible conditions that could be attached to any similar proposal if submitted (providing that the proposal would not be unacceptable), and details of any responses received from statutory and other consultees through the pre-application process.

Where follow up advice is sought, this must be made in writing and must include the original planning reference given by the Council and clear details of the additional advice being requested. Any such requests will be acknowledged in writing within 1 week and will include an estimate of the cost for the additional advice. If you then wish to proceed, the fee must be paid in full prior to any advice being issued.

## **QUALIFICATION**

Any views or opinions expressed are in good faith, without prejudice to the formal consideration of any planning application, which will be subject to public consultation (which will include the relevant Town or Parish Council) and ultimately decided by the Council.

It should be noted that subsequent alterations to legislation or local, regional and national policies might affect the advice given.

Caution should be exercised in respect of pre-application advice for schemes that are not submitted within a short time of the Council's advice letter.

## **PROCESSING OF SUBSEQUENT PLANNING APPLICATIONS**

The planning service will seek to process applications within the DCLG prescribed timescale. However, applications submitted following pre-application advice may take less time to determine. Applications that have been submitted in the absence of any pre-application discussions are likely to be refused without further negotiation where significant amendments are required to make the development acceptable.
