**NEWARK TOWN COUNCIL
STREET COLLECTION POLICY**

1. The Town Council's policy will be to support locally based charities whose fund raising activities are for the benefit of those living within the local community.
2. This support will be extended to include local branches of national charities where funds are sought for use within the community.
3. The Town Council will also consistently support national appeals such as the Wings Appeal and the Poppy Appeal, where monies are collected on a branch basis.
4. The Town Council would generally not support requests for street collections from those outside the area or where the proceeds are not likely to benefit the community.

In exceptional circumstances, however, the Town Council may support such requests; and in such cases would provide Newark & Sherwood District Council with additional information to explain such decision.
