Subject: Objection to alcohol licence at 29 Appletongate Newark

To whom it may concern,

This is to register my objection to the granting of an alcohol license at 29 Appletongate, Newark.

I living directly opposite this address. When the kebab shop is active this is already disruptive to my sleep with car doors, running engines and shouting until midnight. Customers regularly park on my premises.

I am intimidated by the prospect of customers behaving in the same way as those that use the existing off-license on Barnby Gate, as they will gather on my forecourt and the Palace Theatre steps.

I would be grateful if you would acknowledge receipt of this email.

Yours faithfully,

Mrs. Patricia Marriot
