1.0 Purpose of Report

2.0 Background Information

- 2.1 Business managers and service budget officers have been working with officers in the Financial Services team to prepare a general fund budget for 2021/22 and medium-term financial plan for between 2021/22 and 2024/25. The general fund budgets have been prepared in line with the strategy agreed by Policy & Finance Committee on 25 June 2020.
- 2.2 The budget and medium-term financial plan have been developed to reflect, in financial form, the corporate priorities of the Council. Where further targeted areas of focus have been identified, additional resources have been directed to these business units.
- 2.3 **Appendices A** and **B** summarise the budgets proposed for the Committee for 2021/22 by service team and subjective level respectively. These **appendices** exclude capital charges and central support recharges, because service officers do not have direct influence over how much they pay for these. The budgets in this report and its **appendices** are for controllable costs: costs which service officers have direct influence over.

Revenue Budget

- 2.4 *Table 1* below compares the Committee's 2020/21 initial budget for controllable costs, as approved by Council on 09 March 2020, with its currently proposed 2021/22 budget for controllable costs. The Committee's proposed 2021/22 budget is £217,000 more than its 2020/21 initial budget; an increase of 12%.
- 2.5 The £217,000 increase in the Committee's proposed 2021/22 budget is comprised of a £339,000 increase in employee costs; partially offset by a £85,000 decrease in running costs and £37,000 increase in income.

Fees & Charges

2.11 Officers have considered the Fees and Charges Toolkit approved by Economic Development Committee on 20 November 2019 when setting the level of fees & charges. The proposed fees & charges for 2021/22 are in **Appendix D** for consideration.

3.0 Proposals

3.1 Officers are proposing to the Committee that it recommends to Policy & Finance Committee at its meeting on 22 February 2021:

- a) the 2021/22 base budget in **Appendix A** for inclusion in the overall council budget;
- b) and to Council on 09 March 2021 the 2021/22 fees & charges in **Appendix D**.

4.0 Equalities Implications

4.1 Business Managers consider the implications on equalities when assessing how best to deliver the services they are responsible for.

5.0 Financial Implications (FIN20-21/108)

- 5.1 The Committee's proposed 2021/22 budget is £217,000 more than its 2020/21 initial budget; an increase of 12%. Employee budgets of £2.008m account for 76% of controllable costs. Significant budget savings cannot be achieved without affecting staffing levels.
- 5.2 The council's medium-term financial plan for between 2021/22 and 2024/25 requires significant savings in future years, as changes to how councils manage their finances and other challenges take effect.
- 5.3 It is important that the Committee continually scrutinises and reviews its budget in order to identify additional savings which will be achieved in future years.

6.0 Community Plan – Alignment to Objectives

- 6.1 The proposals in this report support the council to achieve multiple objectives of the Community Plan 2020-2023, though particularly the objectives to:
- a) *“Create more and better quality homes through our roles as landlord, developer and planning authority”; and*
 - b) *“Reduce crime and anti-social behaviour, and increase feelings of safety in our communities”.*

7.0 RECOMMENDATION(S)

- a) **that the following recommendations be made to Policy & Finance Committee at its meeting on 22 February 2021:**
 - i. **the 2021/22 base budget in Appendix A for inclusion in the overall council budget;**
 - ii. **and to Council on 09 March 2021 the 2021/22 fees & charges in Appendix D.**

Reason for Recommendations

To ensure that the budgets and fees & charges finally proposed for 2021/22 are recommended to Policy & Finance Committee on 22 February 2021.
