## Newark and Sherwood District Council (NSDC) 30-year Housing Revenue Account (HRA) Business Plan (BP): some key assumptions

Assumption topic	Assumption				
Income: inflation	Increase in 2021/22 rental income by 1.5%, based on the Consumer Price Index (CPI) for September 2020 (0.5%) plus 1%.				
	Changes in rental income for future years (2022/23 to 2024/25) would typically be based on the five-year CPI forecast published by the Office for Budget Responsibility (OBR), but this has not been updated recently.				
	For prudence, therefore, in light of the current pandemic-induced low-inflation environment, 1.5% increases (1% + CPI of 0.5%) have been assumed in each year of the council's 2021/22 to 2024/25 (2021/25 Medium Term Financial Plan (MTFP)).				
		2021/22	2022/23	2023/24	2024/25
	CPI + 1%	1.5%	1.5%	1.5%	1.5%
Income: rent loss from void properties	1% in each year between 2021/22 and 2024/25.  The council's target for 2020/21 is 0.6% of rental income lost through voids, though actual rental income lost through voids at the end of 2020/21 Q2 was 1% (an improvement from 2020/21 Q1, though higher than targeted because of the pandemic).				
Expenditure: capital	Capital expenditure between 2021/22 and 2024/25 is updated in line with the reports presented to Policy & Finance Committee as part of the annual budget-setting and quarterly budget monitoring processes.				
	25 sales in each year between 2021/22 and 2024/25.				
Right to Buy (RTB)	The council has had 19 RTB sales in 2020/21 Q1-Q3.  Nationally, the number of RTB sales seemed to have peaked towards
